

US 45, County C to Gollnow Road, Shawano and Waupaca Counties, Design-Build Project

PROJECT DESCRIPTION

RFP FISCAL YEAR	2022
------------------------	------

PROJECT SCOPE	<p>The proposed project includes pavement replacement of approximately 8 miles of deteriorating 4-lane divided asphalt pavement along US 45 from County C in Waupaca County just west of the city of Clintonville to approximately 400 feet south of Gollnow Road west of the city of Marion in Shawano County. The asphalt pavement design will be completed by WisDOT. Other proposed improvements include replacement of structural approach slabs at one structure, scour repairs at three culverts, repair or replacement of guardrail, removing curb and gutter along the center two-way-left-turn-lane (TWTL), along with spot median island upgrades, curb and gutter and inlet repairs.</p>
