

OFFICIAL  
**HIGHWAY MAP**  
 of  
**WISCONSIN**  
 "THE PLAYGROUND OF THE MIDDLE WEST"  
 SHOWING THE  
**STATE TRUNK HIGHWAY SYSTEM**  
 ALSO THE MORE IMPORTANT COUNTY TRUNK HIGHWAYS

Scale: 1 inch=15 Miles

For Legend See  
 Lower Left Corner  
 Furnished to the Secretary of State by  
 the Wisconsin Highway Commission  
 in Accordance with the Provisions of  
 Section 85.04 of the Statutes.

**LEGEND**

**THE STATE TRUNK HIGHWAY SYSTEM**

is shown by wide black numbered lines, varying in design with the type of highway, as follows:

- Surfacted with Concrete (or other permanent surfacing)
- Surfacted with Material other than Concrete (deeply graded)
- All Weather Earth Roads (normally good despite rains)
- Heavy Clay Earth Roads (sloping after rains and heavy going after prolonged wet spells)
- Unsurfaced Sandy Roads (heavy going after prolonged dry spells)

**COUNTY TRUNK HIGHWAYS** are shown by narrow black lettered lines as follows:

- Highways Maintained by County.
- Highways Maintained by Towns.
- County Trunks are marked or will be marked this season with the letters shown on the Map.
- ▲ Indicates that the nearest city or village maintains a Free Public Camping Ground for tourists.
- Indicates the location of a State Park.
- ★ Indicates a Division Office of the Wisconsin Highway Commission.
