Products accepted on the basis of compliance to AASHTO Product Evaluation and Audit Solutions (formerly NTPEP Program)

Production of pipe in fully compliant plant with valid Certificate of Compliance Authentication is required.

Products must show compliant to both audits and split sample.

If the pipe manufacturer plant and size is on the above list and the pipe is stamped "AASHTO M294" and shows no apparent damage, the pipe may be incorporated into the work with a certification of compliance identifying manufacturer, plant, type, size and compliance to AASHTO M 294

Pipe not properly marked AASHTO M 294 shall be rejected
