2023 Badger TraCS
Virtual User Conference Agenda
OCTOBER 24 – OCTOBER 25, 2023

Join us for the 2023 Badger TraCS Virtual User Conference hosted by the Wisconsin Department of Transportation, Bureau of Transportation Safety and Technical Services. The conference is held annually to provide current and future TraCS related topics, one-on-one TraCS support and an opportunity for law enforcement to network with other agencies.

LIVESTREAMS

Sessions will be livestreamed on **Tuesday, October 24** and **Wednesday, October 25**. Time will be left at the end of each session to allow for questions and answers.

All livestreams will be recorded and posted to the Badger TraCS website after the live broadcasts.

ALL LIVESTREAMS

Training videos spanning several topics are currently available on the Badger TraCS website. More videos will be added in the weeks before and after the livestreams.

All training videos can be found on the Badger TraCS website, under the Training tab.
