

Effective: April 1, 2024

## Registration

Before beginning this prequalification process, contractors must complete the online registration. To register, please visit: <https://vendorregistration.infotechinc.com/>. This is an annual registration requirement.

Please email [AWPsupport@dot.wi.gov](mailto:AWPsupport@dot.wi.gov) if:

- You have questions or difficulties registering
- You believe you are already registered and have forgotten your Vendor ID

Do not register twice. Once you have registered you will receive a vendor ID. You will need this number when submitting your request to bid and/or to be listed as a plan holder.
