

Standard Detail Drawings Updates

Implementation Schedule: These drawings will be included when applicable in plans scheduled for the **August 2024 PS&E** due date of the proposal preparation process schedule (refer to [FDM 19-1 Attachment 1.5](#)).

Standard Detail Drawing (SDD) revisions are shown in the following pages. Objects from the original SDD that were changed or removed are shown in gray while revisions and new items are shown in red. Objects that did not change remain black.

For a more detailed review of the SDDs, download this PDF and open it in a PDF editor or viewer. All objects within the original and revised SDDs are on separate layers and can be isolated or hidden for a more in-depth review of the changes.

The designer notes do not display the new transmittal edits.
