Landlord's Eligibility to Dispose of Abandoned Vehicles

If a tenant vacates or is evicted from the premises and leaves behind a titled motor vehicle, you may store the vehicle until it is claimed or dispose of the vehicle in any way you determine appropriate, including by sale, junking, or titling the vehicle in your own name or business name.

You must have provided written notice to the tenant, of your intent to not store any abandoned property left behind, when the tenant entered into or renewed their rental agreement.

If you have not provided the notice to the tenant in their rental agreement, you must comply with the additional actions required in [s.704.05\(5\)](#) 2009 Wis. Stats.:

- Provide written notice to the tenant of the storage charges within 10 days after the charges began.
- Provide written notice of your intent to sell the vehicle if it is not repossessed by the tenant within 30 days of the notice date.

How to proceed

Step 1 - Verify Ownership

You must verify the vehicle's ownership and lien holder's information, as required by law. If the vehicle is titled in Wisconsin, use form [MV2896 Vehicle/Driver Record Information Request](#) to obtain this information.

- If the vehicle is no longer on record with the Wisconsin Department of Transportation, you will need to contact the DMV Contact Center at (608) 264-7447 or [Wisconsin DMV email service](#) for information on alternative procedures.
- If the vehicle is titled in another state, you will need to contact that state to obtain ownership/lien holder's information on record. You may also use our web site <http://wisconsindmv.gov> for information on how to verify ownership and obtain vehicle record information of vehicles titled in other states.

Step 2 - Notify owners and lien holders of intent to dispose of the vehicle

Once you have received ownership and lien holder verification, you must send written notice of your intent to not store the abandoned vehicle to the following:

- The tenant, personally or by regular or certified mail addressed to the tenant's last-known address.
- Any secured party of which you have actual notice, personally or by regular or certified mail addressed to the secured party's last-known address.

Send written notice by certified mail, "Return Receipt Requested" to the owners, and any lien holder of record notifying them:

- the vehicle will be sold if it is not claimed
- vehicle description, vehicle identification number (VIN), year, make, model
- the date, time, and location of a public sale OR the date a private sale will be held.

Step 3 - Noncompliance

If the vehicle is not claimed prior to the date stated in your notice, you may sell or otherwise dispose of it in accordance with the notice.

Step 4 – Selling the vehicle

You may sell the vehicle either publicly or privately. An example of a public sale is an auction that has been advertised in a publication or website in which vehicles are normally bought and sold. A private sale would be the sale of the vehicle to a new owner without offering it to the public.

If you dispose of the vehicle by private or public sale, you may send the proceeds of the sale, minus any costs of sale and any storage charges, to the Department of Administration for deposit in the appropriation under s.20.505 (7) (h). Wis. Stats.

Be sure to retain a photocopy of all notices to owners, lien holders, advertisements of the sale and receipts for your records.

Step 5 - To obtain a Wisconsin Title after the sale

The landlord must furnish to the buyer a completed form MV2882 *Abandonment of Property to a Landlord*. The buyer must submit this form and an [MV1 Wisconsin Title and License Plate Application](#) along with the appropriate fees.

If the vehicle is model year 2011 or newer, the landlord is also required to complete and furnish form MV2488 *Vehicle Transfer and Odometer Mileage Statement* to the Buyer. This form is not available online, however; it may be obtained from a Division of Motor Vehicles customer service center or by contacting the DMV Contact Center at (608) 264-7447 or [Wisconsin DMV email service](#). Photocopies of form MV2488 are not acceptable.

- You may obtain forms MV1, MV2882, and MV2896 online using the following web site:
<http://www.wisconsindmv.gov/drivers/vehicles/veh-forms/htm>
- You may also obtain these forms from a Division of Motor Vehicles customer service center or by contacting the Customer Contact Center at (608) 264-7447 or [Wisconsin DMV email service](#).
