

What is a buyer's license?

A buyer's license is a piece of identification which allows you to bid on and purchase vehicles at wholesale motor vehicle auctions or dealerships. In order to buy vehicles for more than one employer, you must have a separate buyer's license for each employer.

What are the requirements?

- You must be 18 years old
- You cannot have been convicted of a crime directly related to the sale of motor vehicles
- You may only buy vehicles on behalf of your employers --- you may not buy vehicles for your own or others' use

How long are they issued and what does a buyer's license cost?

Buyer's licenses expire on the same date as the employer's dealer or wholesale license. Buyer's licenses for out-of-state buyers expire on the second July 31st after they are issued. The fee for a buyer's license expiring in one year or less is \$6. The fee for a buyer's license expiring in more than a year is \$12.
