

2010 Supplemental Transportation Rural Assistance Program (STRAP)

Project Description Summary

Date: 12/03/2009

Applicant	Project Contact	Operating Expense Total	STRAP Requested	Local Match	Operating/Service Project Summary
Kenosha County	Carolyn Feldt Division of Aging Srv (262)605-6611	\$ 689,150	\$ 539,320	\$ 134,830	Continue 4th year of rural public transit service in Western Kenosha County. The service provides three regular routes that accommodate fixed route/flex fixed route and two demand response vehicles. The system will focus on maximization of the current service in 2010 without adding additional vehicle hours.
La Crosse County	Noreen Kuroski LaCrosse County Aging Unit (608)785-6148	\$ 372,075	\$ 277,404	\$ 69,351	Continue 3rd year of rural public transit service focusing on: 1) maintaining routes established in 2008 and 2009, 2) creating a feeder route from Vernon County and a route from Trempealeau County to Holmen and Onalaska, 3) implementing marketing strategies including www.findaridewisconsin.org and 4) exploring the use of volunteer drivers from other counties.
Sawyer and Washburn Counties and Lac Courte Oreilles	Pete Sanders Sawyer Co Health and Human Services (715)638-3301	\$ 370,748	\$ 280,598	\$ 76,792	Continue 3rd year of rural public transit service focusing on: 1) continuing and expanding service in Sawyer, Wahburn and the Lac Courte Oreilles Tribe and 2) service expansion in Washburn County that will add additional circulator and demand-response routes to more remote areas of the county.
Menominee Regional Transit	Shawn Klemens Menominee Transit (715)799-5264	\$ 575,663	\$ 455,730	\$ 113,933	Continue 4th year of regional public transit service focusing on: 1) targeting transportatoin to distant communities throughout Wisconsin and 2) providing increased local services.
Rusk County	Jim Wheeler Indianhead Transit Srv (715)532-5594	\$ 104,872	\$ 75,898	\$ 18,974	Continue 4th year of rural public transit service to: 1) expand access to Rusk County residents who are non-ambulatory and have a need for increased mobility access to medical care options, education, employment, public services and recreation and 2) develop increased cooperation for coordination within county transit services and other transportation services beyond the county.
Waushara County	Debbie Paavola Waushara County Dept of Aging Services (920)787-0403	\$ 22,350	\$ 16,600	\$ 4,150	Expand specialized transit mini-bus service currently available to the elderly and disabled populations to general public riders and increase service hours and trip purposes to help meet the identified gaps in service.
City of Janesville	David Mumma Janesville Transit (608)755-3150	\$ 127,343	\$ 65,506	\$ 41,377	Establish commuter service between Janesville, Milton and Whitewater to address the lack of public transportation available in the corridor. At this time only citizens with private vehicles can travel to these destinations for education, employment, health care, shopping, community services and access to the regional transportation network.

Subtotal	\$ 2,262,201	\$ 1,711,056	\$ 459,407
