

Advisory notice to bidders instructions

General: The "Advisory Notice to the Bidder" is advisory data that alerts and enumerates important requirements with which the bidders must comply before and during submission of bids. Of particular importance is the reference to Section 20 and 30 of the Standard Spec's General Requirements and Covenants.

Procedure:

1. Format the "Advisory Notice to the Bidders" to conform to the Bureau's standard in appearance.
2. Fill-in the fields as appropriate.
3. Staple together and insert (do not attach) a pink copy of this notice inside the cover of the Proposal.
