

Proposal for Airport Work Instructions

General: This bid proposal form constitutes the first page (cover) of the bound Proposal. It contains blank spaces that are filled in by the bidder and a place for the bidder's signature (and Notary Public's signature and seal) to indicate that the bidder agrees to all provisions. The anti-collusion statement is embodied in the form.

Procedure:

1. Format the proposal form so as to assure a uniform arrangement and appearance with the Bureau's standard. (This is to remain one page in length. **NO EXCEPTIONS.**)
2. Fill-in the fields as appropriate.
3. Make the proposal form the front cover of the Proposal package using a canary colored, 65 pound standard cover stock.
4. Type "**PLEASE ATTACH PROPOSAL GUARANTY HERE**" in a large bold font on the inside back cover.
5. Type of work can only be 4 lines long.
