

## DBE ALERT: for August opportunities 2022

August is right around the corner and potentially so is a visit to your office from the DBE team if you'd like to see us in person! Please send an email to me if you're interested in a visit and we will get something scheduled. We want to hear from you and get your input on WisDOT initiatives, resources offered, challenges and successes you're experiencing, all of it- the more we know the more we can do.

Please see the attached construction opportunities for August, attached. You can find the advertisement link [here](#). Find consultant opportunities [here](#). Make sure to check out this [page](#) for information on the consultant Construction Fair and related dates. Interested in Design-Build projects? Visit [here](#). If you are looking for information on projects let by the Bureau of Aeronautics visit this [page](#). For information on Transit procurement opportunities visit this [page](#).

We are in the process of posting recordings from Stakeholder meetings on our website now. You can access what's available now [here](#).

Additional Special Provision 3 (ASP-3) attached to construction contracts with DBE goals, will be updated with the October letting. This update will include refinement to the GFE (Good Faith Effort) Rubric. We are hosting an informational session related to these updates on August 3<sup>rd</sup>. While DBEs won't have to submit a GFE request, whether you are a prime or a sub, you might be interested in what is required of a non-DBE prime contractor to substantiate GFE when an assigned DBE goal is not met.

New GFE Rubric | [Information Session](#) – August 3, 2022. 9:30 am – 10:30 am

To call into the meeting:

1(608)571-2209, 811400559#

Phone conference ID: 811 400 559#

Finally, we're working on setting up networking sessions for DBEs, primes, and WisDOT staff to begin at the end of September. See attached DBE Roundtable 2.0 event agenda for construction networking. DBE consultant networking events are being planned for this fall.

**September 29, 2022 • Wilderness Resort • Wisconsin Dells**

WisDOT and CBG are teaming up September 29th, 2022 for the Disadvantaged Business Enterprise (DBE) Roundtable 2.0.  
**SPACE IS LIMITED TO THE FIRST 75 PEOPLE.**
