## DBE ALERT FOR DECEMBER OPPORTUNITIES FY 2023

Greetings!

We hope you had a good Thanksgiving and were able to take a little time away from work. There is so much to be thankful for and amongst those things is all of the effort and work that you contribute to transportation infrastructure, so thank you!

There are many sub-contractable opportunities in the December letting. See attached, as well as the Advertisement [here](#). Using that link will take you to general information related to construction bid lettings. From there you can review contract logs, contract payments, Design-Build information, prequals, plans, and more. If you have any questions about navigation the HCCI (Highway Construction Contract Information) pages, reach out to us and we'll help. There is also a video you can view [here](#).  
**\*NOTE:** When submitting quotes – Make sure that you clearly indicate the amount of your quote that qualifies for DBE credit if the entire quote includes work types that you are not DBE certified to perform. If you are not sure what work areas you are certified in, check the [Directory](#). If you think an additional NAICS code should be listed or you would like to request an expansion, please contact John Franklin: [john.franklin@dot.wi.gov](mailto:john.franklin@dot.wi.gov).

Looking for solicitation information? Check this [page](#). Upcoming NOI deadline is December 5<sup>th</sup>. Engineering Opportunity Day seems far away now but February will be here quickly. Follow this [link](#) for more information.

We hope to see you at Marketplace, the Governor's Annual Conference on Diverse Business Development, next Tuesday, December 6th. Come for great networking opportunities and to congratulate Rosalind Roberson, DBE Support Services Coordinator, on her nomination for the Diverse Business Champion Award! If you haven't done so already click this link to [register](#).

The Annual DBE Workshop & Networking Summit is March 2 and 3, 2023 at the Wilderness Hotel in the Dells. See the [DBE Reporter](#) for agenda information and [register](#) early for only \$99. Also, please consider [nominating](#) a construction business, organization, or industry stakeholder for a Golden Shovel award.

As always, we are here for you and want to make sure you are aware of the resources available to certified DBEs. Please reach out anytime. Here is the link to the [DBE Support Services](#) page.

Stay safe-
