

## **DBE ALERT: for November opportunities 2021**

Time is flying! Please see attached sub-contractable opportunities for the November letting. You can find the advertisement [here](#). This [link](#) will take you to November solicitations.

A new grant opportunity was recently announced for small minority-owned businesses- <https://www.tmj4.com/news/local-news/gov-evers-announces-75m-in-grants-to-aid-small-minority-owned-businesses>

A previously-announced grant, the \$50 Equitable Recovery Act, [is now accepting applications through Nov. 5.](#)

Please let us know if you are interested in the Mentor-Protégé program. We have openings in both construction and consulting. This program is a great way for DBEs new to working with the state, to get the information you need and make new connections. Established firms can also benefit through networking opportunities with your mentor, as well as support for back office work and potential expansions into new work areas through training with your mentor.

We are working on updates to the DBE Directory and Interactive Map. Stay tuned for a new and improved Directory coming next month.

Let Date 11/09/2021

REGION: NC REGION

<b>Proposal Number</b>	20							
Fencing								
Curb & Gutter/Sidewalk, Pavement	X							
Erosion Control, Landscaping, etc.	X							
Signs and Posts/Markers	X
