DBE ALERT: for October Opportunities FY2023

Please see the attached opportunities in construction. The advertisement can be viewed [here](#). Consultant opportunities can be found [here](#). The construction engineering selections will be posted in October.

We are working with our partners to create a variety of networking opportunities for DBEs over the fall and winter. Ideally we will have events in each region to allow for face to face interaction. Please let us know if you would like to be involved and if you have ideas for making these events successful. It's important to have DBE engagement at these events so let us know what types of activities will create valuable exchanges for you.

We are also continuing to cultivate new pairings for the [Mentor-Protégé](#) program and Coaching program. Please reach out to Rosalind Roberson (rosalind.roberson@dot.wi.gov) if you are interested in participating.

As the season winds down we are working diligently to review all DBE participation that occurred after contract execution and expect to have preliminary overall DBE goal achievement results at the end of October. We are optimistic at this point and look forward to sharing final outcomes for the year with you. Thanks to all of you who have worked so hard this year to design, build, maintain, and inspect our roads and bridges. Your contributions make a difference.

Happy fall-

Madalena

Madalena Maestri, EdD
DBE Program Chief
Disadvantaged Enterprise Program

MARCH 2-3, 2023

Let Date: 10/11/2022 **NC Region** (No projects in NC Region for October 2022)

Proposal Number								
Clear and Grub								
Curb & Gutter/Sidewalk, Pavement								
Erosion Control, Landscaping etc.								
Signs and Posts/Markers								
Traffic Control								
Electrical Work/Traffic. Signals								
Pavement Marking								
Sawing Pavement								
Material Supplier								
Trucking: Excavation, Aggregates, Slurry, Asphalt, Millings, Temporary Concrete Barriers, Removals								
Construction Staking								
QMP								
Pipe Underdrain								
Beam Guard, Cable guard etc.								
Concrete/Asphalt								
Trees/Shrubs								
Surface Treatment								
Sign Bridges								
Concrete Barriers								
Sewer/Utility								
Water Mains								
Tying Steel Re-enforcing bars								
Bridge Painting								

Let Date: 10/11/2022
