

DBE REPORTER

OFFICE OF BUSINESS OPPORTUNITY AND EQUITY COMPLIANCE

SPRING 2025

39TH ANNUAL DBE WORKSHOP AND NETWORKING SUMMIT **IN REVIEW**

The theme of this year's Summit, "Beyond Borders: Exploring Interstate Perspectives and Opportunities for Business Expansion and Collaboration," perfectly captured the spirit of the 2025 DBE Summit and the work we do every day, says Tondra Davis, Office of Business Opportunity and Equity Compliance (OBOEC) Director during the general session on January 28th.

“She continued, “At OBOEC, our mission is clear: to ensure that opportunity and access are not just aspirations but realities for disadvantaged businesses across Wisconsin. The DBE program is about much more than meeting goals or checking boxes—it’s about opening doors, breaking barriers, and creating meaningful opportunities that allow businesses to grow, thrive, and make lasting contributions to our communities.

This year’s theme challenges us to think bigger. When we talk about going beyond borders, we’re not just talking about crossing state lines. We’re talking about expanding the way we think about opportunity. It’s about collaboration, leveraging diverse perspectives, and exploring new ways to empower DBEs to reach their full potential.

Tondra Davis, OBOEC Director and Mohsen Javaid, APEX Consulting Engineers and winner of the Glacier Resort giveaway tickets.

We know that the road to success isn’t always smooth. For many disadvantaged businesses, the path is marked by systemic challenges, limited access to resources, and inequities that persist despite our progress. That’s why events like this are so important. They provide a platform to share ideas, learn from one another, and build connections that help us overcome obstacles together.

At OBOEC, we are proud to work alongside our many partners to create opportunities that are equitable and impactful. The 2025 DBE Summit reflects that commitment. The sessions and workshops are designed

39TH ANNUAL DBE WORKSHOP AND NETWORKING SUMMIT IN REVIEW

continued from page 1

to provide attendees with practical tools, valuable insights, and the inspiration they need to take their business to the next level.

The Annual DBE Summit is about action. Attendees were encouraged to network with peers, ask questions, and to think beyond their current borders. What partnerships can you develop? What new ideas can you implement?

How can you use the knowledge and resources shared at the Summit to drive your business forward?

Together, we have the power to transform challenges into opportunities and aspirations into achievements. Let's go beyond borders and create a future where every business has the tools and support, they need to succeed!

WisDOT Overall DBE Goal Summary Report

FEDERAL FISCAL YEAR 2025 / OCT 2024 - DEC 2024

OVERALL DBE ANNUAL GOAL - 12.42%		DBE CONSTRUCTION CONTRACTS	
Overall Federal Funds	\$392,840,873	Federal Funds	\$377,336,871
Overall DBE Goal Committed	\$50,358,941	Assigned DBE Goal	\$31,662,295
Overall DBE Goal Percent	12.82%	DBE Goal Committed at Bid	\$38,258,002
Conscious Attainment	\$21,369,161	Committed after Contract Execution	\$7,135,192
DBE Conscious Percent	5.43%	# Approved Contracts	107
Neutral Attainment	\$28,989,780	# Approved GFE	4
DBE Neutral Percent	7.37%	DBE CONSULTANT CONTRACTS	
		Federal Funds	\$15,504,002
		DBE Goal Committed	\$4,965,747

WisDOT Overall DBE Goals for FFY 2024, 2025, 2026

Wisconsin DOT’s overall annual triennial DBE Goal for Federal Fiscal Years (FFY) 2024, 2025, and 2026 has been set at 12.42%.

This is a .01% increase from the previous goal of 12.41% for FFY 2021 - 2023 representing an increase of \$64.6 million in additional DBE goal achievement projected, shown left.

FFY 2021, 2022, 2023	OVERALL ANNUAL GOAL		CONSCIOUS PORTION		NEUTRAL PORTION	
	%	\$M	%	\$M	%	\$M
Annual Estimated FHWA Funds						
\$750 million Construction and Consulting Contracts	12.41%	\$93.1	8.14%	\$61.1	4.27%	\$32

FFY 2024, 2025, 2026	OVERALL ANNUAL GOAL		CONSCIOUS PORTION		NEUTRAL PORTION	
	%	\$M	%	\$M	%	\$M
Annual Estimated FHWA Funds						
\$1.26 billion Construction and Consulting Contracts	12.42%	\$157.7	7.4%	\$116.7	5.02%	\$82

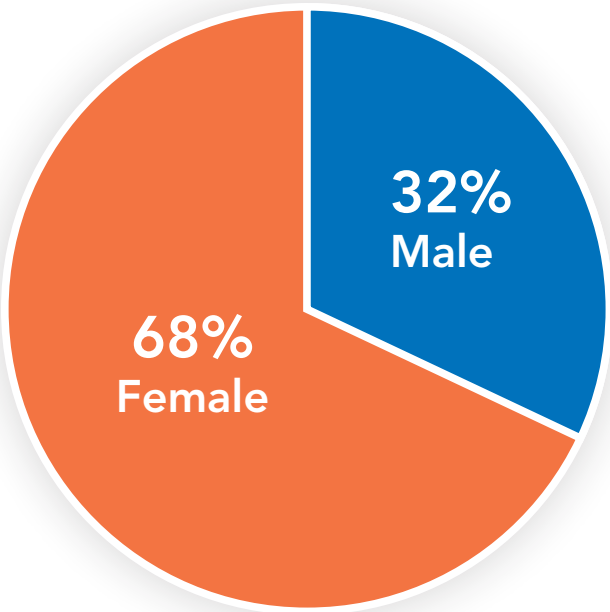

Wisconsin DOT’s overall annual triennial DBE Goal for Federal Fiscal Years (FFY) 2024, 2025 and 2026 was set at 12.42% which calculates to \$157.7 million in construction and consulting contracts. DBE conscious attainment was set at 7.4% or \$116.7 million and DBE Neutral attainment at 5.02% or \$82 million. For the first quarter in FFY2025, DBE conscious attainment is 5.43% or \$4.56 million and Neutral attainment is 7.37% or \$28.9 million. WisDOT is exceeding its goal primarily through neutral attainment, and we applaud the prime contractors and professional consultants in recognizing the value in utilizing Wisconsin small, women and minority owned businesses even when there is no goal set on a project.

BENCHMARK LINE & GRADE SPECIALISTS, LLC

As a construction staking firm, we work closely with the prime contractor, the project engineer, and other contractors on the project to help it move forward smoothly.

Construction staking, also known as site layout, is a critical phase of the construction process. It involves transforming the engineering designs into physical markers on the ground. These markers guide contractors in accurately placing structural elements during the construction of roads, utilities, and other infrastructure projects.

BENCHMARK
LINE & GRADE SPECIALISTS

Accuracy is of the utmost importance in construction staking, ensuring that every aspect of the project aligns with the approved plans. This precision helps prevent costly mistakes and delays. By establishing exact locations for features like subgrade, base, bridges, curb and gutter, sidewalk, storm sewer, lighting, walls, curb ramps, etc. construction staking helps ensure the project is constructed correctly.

Using specialized surveying equipment, we measure and mark the exact locations of the project's features. This often involves using stakes, flags, hubs, nails, and paint.

BENCHMARK's focus is the Southeast Region. The staff at BENCHMARK have been involved in projects in varying sizes, including the Zoo Interchange, the Mitchell Interchange, the I39 corridor, and countless others.

PRISM TECHNICAL
Management & Marketing Services, LLC

WHEN RESULTS MATTER

Founded in 1995 by Milwaukee native Randy Crump, Prism was built on the belief that inclusion strengthens communities. What started as a small consulting firm has grown into a recognized leader in business engagement, workforce diversity, and public involvement. Prism continues to bridge the gap between businesses, communities, and economic opportunities—helping organizations meet their goals while creating lasting impact.

From building workforce pipelines to strengthening small businesses, Prism delivers tailored solutions that drive impact in Milwaukee and beyond.

Our Services

At Prism, we specialize in:

- **Business & Workforce Training** – Designing and implementing innovative programs that empower small businesses, workforce development initiatives, and internship programs.
- **Community Benefits & Compliance Monitoring** – Ensuring businesses and workforce participation commitments are met through strategic oversight and reporting.
- **Business & Talent Development** – Connecting businesses with opportunities and talent while developing the next generation of professionals and linking them to meaningful career opportunities.
- **Community Engagement & Public Involvement** – Leading outreach initiatives that ensure public voices shape projects impacting their communities.
- **Event & Conference Coordination** – Planning and executing business-focused events that facilitate connections, education, and growth.

Prism is committed to helping businesses, communities, and individuals succeed through strategic partnerships, expert program development, and meaningful engagement. Whether it's ensuring diversity on a major project, developing a workforce initiative, or connecting communities with resources, Prism delivers results.

ROSALIND ROBERSON

Dedicates her time to organizing Support Services for DBEs in need of Business Assistance.

For the past 17 years, Rosalind Roberson has proudly served the Disadvantaged Business Enterprise (DBE) community through Wisconsin DOT's Office of Business Opportunity and Equity Compliance. She dedicates her time to organizing support services for DBEs in need of business assistance, planning the annual DBE Workshop Networking Summit, quarterly newsletters and stakeholder committees.

Rosalind was born and raised in Milwaukee, Wisconsin. She owns her home and resides with a two-year-old Pit Bull terrier, Samson. After high school, she joined the United States Army Reserves (USAR) and during college she joined R.O.T.C. to become a commissioned officer in the United States Army. For nine years she spent most of her military time as the Headquarters Detachment Commander at the 3rd Battalion, 3rd Brigade, 84th Division in Milwaukee. Rosalind retired a Captain from the USAR when she started her professional career as the Apprenticeship Coordinator at the Milwaukee Urban League.

As the Minority Apprentice Recruitment Project Coordinator, where she recruited minority men and women for the construction trades apprenticeship programs, she was surprised to learn that Wisconsin had apprenticeship programs since she graduated from Milwaukee Tech with a certificate in cabinetmaking. Instead, Rosalind attended the University of Wisconsin – Whitewater and earned a Bachelor of Science degree in Office Administration and earned 15 credits towards a master's degree in Career Counseling. In 1990, she withdrew from college to serve her country during Operation Desert Storm.

In 2008, under the leadership of WisDOT Deputy Secretary Ruben Anthony, Director Eugene Johnson, and DBE Program Chief Michele Carter, she was hired as the Civil Rights Urban Outreach Strategist where her primary responsibilities were stakeholder engagement for the I-94 North/South Mega Project in southeast Wisconsin. Rosalind coordinated the transportation advisory committee meetings (TRANS-AC and TRANS-CAC) for contractors, consultants, DBE Stakeholders and Transportation Alliance for New Solutions (TrANS) graduates. She also coordinated the one-week Career Awareness Summer Project for fifth to eighth graders. The students were exposed to careers in the transportation industry and participated in various construction activities throughout the state.

Rosalind was the first WisDOT staff to submit a proposal to the Federal Highway Administration (FHWA) for DBE Support Services that resulted in a \$297,000 federal grant. As the DBE Support Services Coordinator, she is responsible for implementing and overseeing professional consultant contracts for DBE coaching services, the Mobilization Loan Guaranty and Mentor-Protégé Programs. She is also the chief planner for the annual DBE Workshop and Networking Summit and editor of the DBE Alerts and DBE Reporter newsletters.

During her personal time, Rosalind enjoys reading, praying, and building her brand, Creative Solutions Collectibles. She cherishes her relationship with God and, when working with people, Rosalind practices her faith with love, joy, peace, patience, kindness, goodness, meekness and temperance. She has committed her life to serving Him and keeping his commandments. *"Delight yourself in the LORD and He will give you the desires of your heart ... commit your way to Him, trust also in Him and He shall bring it to pass."* Psalm 37:4-5

Customized Mentorship and Business Development Services

WisDOT's DBE Support Services' mission is to increase the talent pool of small business contractors ready, willing, and able to compete for high-quality work on WisDOT highway construction projects. The DBE Technical Assistance Program (DTAP) supports small and emerging businesses by providing technical assistance and mentors who have working knowledge and experience on how to compete for highway contracts. If you are a DOT certified DBE, you are eligible to receive customized business development and industry-focused technical assistance to ultimately provide greater access to capital and contracts.

CAPACITY BUILDING & TECHNICAL ASSISTANCE
for DBE Firms in Highway Construction

DTAP

DBE Coaches are ready, willing and able to assist you with your business development needs to include the following services:

- DBE Certification Application
- DBE Coaching
- Business Consultation
- Capacity Building Business Assessments
- Website Development
- QuickBooks Training
- Quote Submissions and Bid Assistance
- Formal Mentorship

For more information contact Rosalind Roberson at (414) 266-1172 or email rosalind.roberson@dot.wi.gov.

Transportation Advisory Committee for Construction (TRANS-AC)

Bimonthly meeting of the TRANS-AC stakeholder group to discuss current updates with construction industry stakeholders, DBE program and DBE industry construction firms.

For more information contact: Rosalind Roberson at rosalind.roberson@dot.wi.gov

April 23, 2025

July 23, 2025

October 22, 2025

DBE Stakeholder Advisory Committee

Currently, there is a DBE Stakeholder Advisory Committee operating in the Southeast Region. The DBE Stakeholder Advisory Committee works with WisDOT on the following:

- Approaches to achieve greater DBE participation and strategies to monitor progress
- Upcoming transportation projects and learning about opportunities to partner with other firms
- As a liaison to communities
- Creating and implementing strategies for cultivating a diverse workforce

The DBE Stakeholder Advisory Committee is also an opportunity to offer your perspective about potential improvements to WisDOT's DBE program.

WisDOT is seeking the participation of more DBE firms. The DBE Stakeholder Advisory Committee meets on a quarterly basis.

For more information contact:

DBE REPORTER / Spring 2025

ATTENTION

ALL HEAVY HIGHWAY CONSTRUCTION DBE FIRMS AND PRIMES WisDOT is phasing out the current Civil Rights Compliance System (CRCS)

The entry of certified payroll reports (CPRs) in AASHTOWare Project Civil Rights and Labor (AWP CRL) will begin with contracts awarded in 2025 moving forward. CPRs for awarded contracts in 2025 and later are contractually required to be entered in AWP CRL.

Click here for more information on Electronic Certified Payroll entry ([ASP-9 Link](#)).

Entry of CPRs for contracts awarded in December 2024 and prior will continue in CRCS. Payments and entry of subcontractors will continue in CRCS.

AWP CRL Certified Payroll Reports (Prime contractor and subcontractors):

<https://awpkb.dot.wi.gov/Content/crl/Payrolls-PrimesAndSubs/Payrolls-PrimeAndSubs.htm>

CRCS AND AWP CRL CONTACTS

CRCS Contact:

Paul Ndon at: paul.ndon@dot.wi.gov for information on exporting payroll/labor data.

Not every contractor's payroll system can produce export files.

For details, see Section 4.8 CPR Auto Submit (Data Mapping) on pages 49-50; 66-71 of the CRCS Payroll Manual at:

<https://wisconsin.dot.gov/Documents/doing-bus/civil-rights/labornwage/crcs-payroll-manual.pdf>

AWP CRL DOT Contact:

DOTLaborCompliance@dot.wi.gov via email with the subject line "AWP CRL"

AWP CRL Knowledge Base email and QR Code: <https://awpkb.dot.wi.gov>
