

## US 45, County C to Gollnow Road, Shawano and Waupaca Counties, Design Build Project 1600-15-00/70

### PROJECT DESCRIPTION

<b>RFP FISCAL YEAR</b>	2022
------------------------	------

<b>PROJECT SCOPE</b>	<p>The proposed project includes pavement replacement of approximately 8 miles of deteriorating 4-lane divided asphalt pavement along US 45 from County C in Waupaca County just west of the city of Clintonville to approximately 400 feet south of Gollnow Road west of the city of Marion in Shawano County. Other proposed improvements include replacement of structural approach slabs at one structure, scour repairs at three culverts, repair or replacement of guardrail, removing curb and gutter along the center two-way-left-turn-lane (TWTL), along with spot median island upgrades, curb and gutter and inlet repairs.</p>
----------------------	---

<b>PROGRAMMED CONSTRUCTION COST</b>	<b>ANTICIPATED DESIGN-BUILDER PREQUALIFICATION</b>
\$9,000,000 – \$11,000,000	Required, Rating (D)
<b>ANTICIPATED SCHEDULE</b>	<b>ANTICIPATED DESIGN SERVICES</b>
Issue Request for Qualifications (RFQ): Sep 2021 Statement of Qualifications (SOQ) due: Nov 2021 Issue Request for Proposals (RFP): Dec 2021 Technical and Price Proposals due: Mar 2022 Design-Builder Selection: Apr 2022 Begin Construction: 2022 - 2023	Design – Roadway Design – Drainage
<b>ANTICIPATED PROCUREMENT METHOD</b>	<b>PROJECT ATTRIBUTES</b>
Design-Build Low Bid	Transitional/Rural Functional Classification: Principal Arterial NHS Route: Yes OSOW Route: No OSOW High Route: Wind Tower Corridor State Truck Route: Designated Long Truck Route Average Daily Traffic (ADT): 5,600 (2018) Businesses: Primarily agricultural Environmental Justice Populations: Hispanic, Amish, Native American DBE Goal: TBD Stipend: TBD
