[DOT Computer Help Desk 1-800-362-3050](#)

- The project ID assigned to the contract, (the umbrella project ID/ placeholder project ID) cannot be used as a redistribution ID. The WisDOT PM will provide the IDs for which to use for the redistribution section of the invoice.
- Redistribution IDs that are not active for invoicing cannot be invoiced against. The below error message will occur.

**Error(s):**

- You are trying to add Invalid Project Id: 9999-99-99
