

## Culvert Pipe Liners- Prequalification to Manning's Coefficient

Date last edited: 5/14/2025

This list is for certification to the allowable design Manning's N only, and does not relieve the vendor of the responsibility to supply material documentation according to the contract prior to use and acceptance.

<u>Manufacturer</u>	<u>Product Name</u>	<u>Manning N</u>	<u>Date Approved</u>
Contech Construction Products	Contech A-2000 PVC	0.0087	1/10/2006
	Contech A2- Liner Pipe	0.0088	7/6/2006
