Questions

Please be prepared to answer the following questions in order provided during your interview:

- 1) Construction Inspection for Urban Reconstruction/Bridge replacement - What are your team's qualifications from the past decade and capacity to deliver over the project term?
- 2) Conflict Resolution – Please describe your approach in working through issues with contractors. Explain your processes for timely issue resolution within the provisions of the contract. Please detail an experience where your team mitigated a high-risk issue in construction and how it was resolved.
- 3) John Nolen Drive will be delivered by an integrated team of consultant and Department resources. Please share with us your approach to the working relationship between key staff. What processes will you employ to ensure the integrated delivery team is successful?
- 4) Public Involvement and Stakeholders: Coordination and Outreach during Construction - What are your team's qualifications, availability and capacity to deliver over the project term, and strategies for success on this project?
- 5) Strategy for Success – What is your team's strategy for success on this project
