- This 40-minute interview includes both the 35-minute presentation and the 5-minute question/answer session.
• Provide seven copies of the presentation at the beginning of the interview and email a PDF copy to consultant.services@dot.wi.gov.
• Additional materials (NOIs, resumes, projects, etc.) will be accepted.
• You may arrive 10 minutes early to set up.
• Please bring necessary equipment including a projector, a screen will be provided.
• Questions should be directed to DOT Consultant Services at consultant.services@dot.wi.gov; no other WisDOT or municipal employee may be contacted.

Questions

Questions may be answered in any order, but please clearly indicate in the presentation which question is being answered:

- 1) Team Structure and Segment Interest - Please describe team structure for your packages of interest, and if interested in both, present the differences between your team for the WisDOT led package and the consultant led package.
2) Construction Inspection for Freeway Reconstruction - What are your team's qualifications from the past decade and capacity to deliver over the next 2+ years?
3) Interface with Project Manager, other WisDOT Team Members and Consultant Construction Corridor Team - What is your team's experience and approach working with WisDOT teams and the corridor construction teams?
4) Construction Traffic Control (including nightwork) and Traffic Coordination - What is your team's experience with freeway construction that involves complex staging and traffic coordination?
5) Conflict Resolution - Please detail an experience where your team mitigated a high-risk issue working with a contractor or stakeholder and describe the steps in how it was resolved.
6) Strategy for Success - What is your team's strategy for success on this project?
