Re: FY2025-2028 Wisconsin STIP Amendment Requests - FTA Transit Amendment #11
Approval

Dear Secretary Boardman:

The Federal Transit Administration (FTA) has reviewed the State Transportation Improvement Program (STIP) amendment requests submitted via WisDOT correspondence as detailed below.

Planning Area	Organization Name	WisDOT Letter Date
Beloit	Stateline Area Transportation Study (SLATS)	June 8, 2026
Janesville	Janesville Metropolitan Planning Organization	June 8, 2026

The public transportation projects listed in the amendment report for the STIP are eligible for FTA funding.

We have determined that the amendment to the corresponding STIP for public transportation projects is financially constrained and consistent with the relevant MPO and statewide transportation plans. The projects were developed in accordance with the requirements of 23 CFR 450, and are exempt from the air quality conformity determination process. The project additions are approved for the FY2025-2028 STIP.

If you have any questions concerning this STIP amendment approval, please contact Mark Kane at (312) 353-1552 or mark.kane@dot.gov. Thank you.

Sincerely,

Anthony W. Greep
Director, Office of Planning and Program Development
