

Highway Maintenance Manual
Chapter 02 Administration
Section 15 Agreements/Contracts
Subject 35 Other Provisions

Bureau of Highway Maintenance
January 2010

1.0 Authority

Other provisions for safety, customer service, and to provide standardization in the application of cost or operational principles and practices may be enacted using the same review process described in the introduction.

These provisions may be responses to new or changing service requirements, laws or rules, new technology or reassessments of current technology, or any other program initiatives.
