

Production Rate Survey Form

Wisconsin Department of Transportation DT2077
06/2025

Introduction

The WisDOT is in the process of updating production rates for various highway construction activities. The information provided in this form will be used to improve estimating time for contract completion.

Include this submittal with DT2075 (Final Construction Project Record Checklist).

Please contact Brian Boothby if you have any questions regarding this survey.

Contract Proposal Information

Contract Proposal ID:

Project ID(s):

Respondent Contact Name:

Respondent Email:

Length of a Typical Day: (HOURS):

Categories of Work

- ☐ Earthwork and Removals
 - ☐ Bases and Subbases
 - ☐ Pavements
 - ☐ Structures and Culverts Incidental
 - ☐ Construction
-

Earthwork and Removals

Clearing and Grubbing (STA/DAY):

Remove Pavement (concrete) (SY/DAY):

Milling Asphalt (thin, 0 to 2 inches) (SY/DAY):

Milling Asphalt (thick, more than 2 inches) (SY/DAY):

Excavation (Truck) (CY/DAY):

Excavation (Scraper) (CY/DAY):

Excavation (Articulated Truck) (CY/DAY):

Shallow Excavation (Shoulders and Ditches) (CY/DAY):

Rock Excavation (CY/DAY):

Marsh Excavation (CY/DAY):

Excavation Below Subgrade (CY/DAY):

Comments:

Bases and Subbases

Base Course (Shoulders) (TON/DAY):

Base Course (Roadway) (TON/DAY):

Breaker Run (TON/DAY):

Pulverize and Relay (SY/DAY):

Comments:

Pavements

Concrete Pavement:

Concrete Pavement (SY/DAY):

Diamond Grinding (SY/DAY):

Concrete Ruble Strips (Shoulder) (LF/DAY):

Asphalt Pavement:

HMA Pavement (TONS/DAY):

Asphalt Pavement (Hand Placement) (TONS/DAY):

Asphalt Rumble Strips (Shoulder) (LF/DAY):

Asphalt Rumble Strips (Centerline) (LF/DAY):

Comments:

Structures and Culverts

Bridge:

Deck Removal (Full or Partial) (SF/DAY):

Cofferdam for Foundation (SF/DAY):

Concrete Masonry, Bridges (Foundation Substructure) (CY/DAY):

Parapet (LF/DAY):

Deck Placement (Girder Bridge) (SF/DAY):

Deck Placement (Slab Bridge) (SF/DAY):

Precast Concrete Girder Erection (EACH/DAY):

Structural Steel Beams (EACH/DAY):

Driving Piles (All Types) (LF/DAY):

Retaining Walls:

Retaining Walls (Mechanically Stabilized) (SF/DAY):

Bridge Overlay:

Concrete Masonry Overlay Decks (CY/DAY):

HMA Overlay (TON/DAY):

Polymer Overlay (SY/DAY):

Other Structure Items:

Temporary Sheet Piling (SF/DAY):

Culverts:

Concrete Masonry Culverts (CY/DAY):

Culvert Pipe (LF/DAY):

Comments:

Incidental Construction

Curb and Gutter (LF/DAY):

Sidewalks (SF/DAY):

Concrete Barrier (LF/DAY):

RIPRAP (SY/DAY):

Manholes and Catch Basins (EACH/DAY):

Pipe Underdrains (LF/DAY):

Steel Plate Guardrail (LF/DAY):

Chain Link Fence (LF/DAY):

Topsoil Placement (CY/DAY):

Seeding (LB/DAY):

Sodding (SY/DAY):

Grooved Epoxy Marking (Grinding Only) (LF/DAY):

Grooved Epoxy Marking (Marking Only) (LF/DAY):

Comments:
