# RECREATIONAL VEHICLE DEALER TWO YEAR LICENSE APPLICATION (MV2187, PAGE 2)

Ch. 218 Wis. Stats.

Local municipality approval is required if you are a first-time dealer applicant or if you are a licensed dealer amending current license due to business relocation, ownership change, or other amendment.

- Section A must be completed and signed by the proper zoning official
  - Both Box 1 and Box 2.
- If the dealership is located in a township, both sections A and B must be completed and signed by respective zoning authorities.

ATTENTION ZONING AUTHORITIES: A recreational motor vehicle dealer is required to have:

1. A permanent building. (Which may be a residence if it is accessible to an outside entrance and is used primarily for conducting the recreational vehicle business)
2. An office within the building.
3. A repair shop on the premises OR a service agreement with a nearby repair shop. (Not required for sublots.)
4. Provide an outdoor recreational vehicle display lot adjacent to the business office OR all vehicles are displayed indoors. (Not required for sublots.)
5. The building and premises comply with all local zoning, building code and permit requirements.
6. An exterior business sign with business name as it will appear on the license certificate or any other official name used to do business under. The lettering of the sign must be a minimum of 4 inches high, unless smaller dimensions are required by local zoning or sign ordinance.
7. A sign posted on or adjacent to the entrance door describing business hours.
