Things you should know

Collector Special plates are issued to applicants whom have had a Collector Plate series issued to them. Collector Special plates are issued to a qualifying general transportation vehicle and are renewed annually.

- ▶ Collector Special plates cannot be personalized.
- ▶ Collector Special plates have the same sequence as the Collector plate. The first Collector Special plate will be the Collector number. Each Collector Special plate thereafter will be the Collector number and an alpha character.
- ▶ Collector Special plates cannot be issued with a disabled parking designation.
- ▶ Plates will be mailed 3-4 weeks after you receive the new Certificate of Registration.

Fees Needed

- ▶ The one time \$15 issuance fee
- ▶ The annual registration fee, if your current plates expire within 3 months.

Plates required in 2 days

- ▶ To legally operate your vehicle, you must display license plates within two business days of purchase.
- ▶ If you do not have current plates, you may apply with a 3rd party agent to obtain a temporary plate while your collector special license plate order is processed. An agent may charge a plate fee and/or service fee.
