INSTRUCTIONS

- Ë Online applications accept eCheck/ACH and credit card. Apply at <https://wi.gotpermits.com/wiconnect>.
- Ë If application is mailed in, make checks payable to: **Registration Fee Trust**. The fee must accompany the application and will be retained by the Department only if a permit is issued. Refer to fee chart.
- Ë No charge shall be made to any state department, county, town, municipality, or any branch of the United States Government or the Armed Services for any type of oversize/overweight permit.
- Ë A renewal notice will be e-mailed to you in the month prior to permit expiration. Renewals can be made online.
- Ë No charge is made for a transfer of permit from one vehicle to another. Requests can be made online.
- Ë If you have questions regarding permit applications, e-mail osow@dot.wi.gov or call (608) 266-7320.

PROCEDURE TO CALCULATE FEES

- Ë Choose the effective and expiration dates you want for the permit for which you are applying.
- Ë Count up the number of months in the desired permit, from the beginning day to the ending day. When figuring "months," do not use calendar months. The month begins on the effective date of the permit. For example, if you want the permit to become effective January 15, then January 15 to February 14 is counted as exactly 1 month.
- Ë If the number of months in the desired permit is not exact, round upward to the next whole number of months. For example, if you intend the permit to become effective 5-16-2021 and to expire 1-21-2022, it would be valid for 8 months 6 days. Rounding upward, the desired permit would be subject to the 9 month charge in the fee scale.
- Ë Refer to the fee chart on next page to determine fees. Make checks payable to: **Registration Fee Trust**.
