## Public Involvement Meeting #2

Project ID: 1140-00-07/77

US 45

Givens Road to Church Road

Waupaca County

Please join us for a second public involvement meeting to discuss proposed improvements to US 45, between Givens Road and Church Road in Waupaca County. This meeting will focus on the US 45/County D intersection and the safety concerns that were brought up during the first public involvement meeting.

The meeting is scheduled for **Wednesday Dec. 11, 2024, starting at 5 pm at the Council Chambers** (inside the Municipal Building), 215 North Shawano Street, New London.

A brief presentation is scheduled to begin at 5 pm. The remainder of the meeting will follow an open house format.

Purpose of the US 45 project:

- The pavement on US 45 is deteriorated and has exceeded its useful service life.
- Address safety needs at the US 45/ County D intersection.
- In addition, the guardrail, curb and gutter, and pavement markings need repairs and/or replacement.

Proposed improvements include:

- Replace asphalt pavement
- Consider the installation of a roundabout at the US 45/County D intersection
- Replace guardrail
- Replace spot locations of curb and gutter
- Install new pavement markings

The objective of this meeting is to discuss the purpose and the need for the project and obtain your feedback on the proposed improvements.

We look forward to meeting with you. The meeting facility is wheelchair accessible. Deaf, hard-of-hearing, deaf-blind, and speech-disabled persons should contact the Wisconsin Relay Service by dialing 711. To allow time to arrange for accommodations needed to participate, please contact me no later than three working days prior to the meeting.
