

MASON STREET ALTERNATIVES | ELEVATION VIEW COMPARISONS

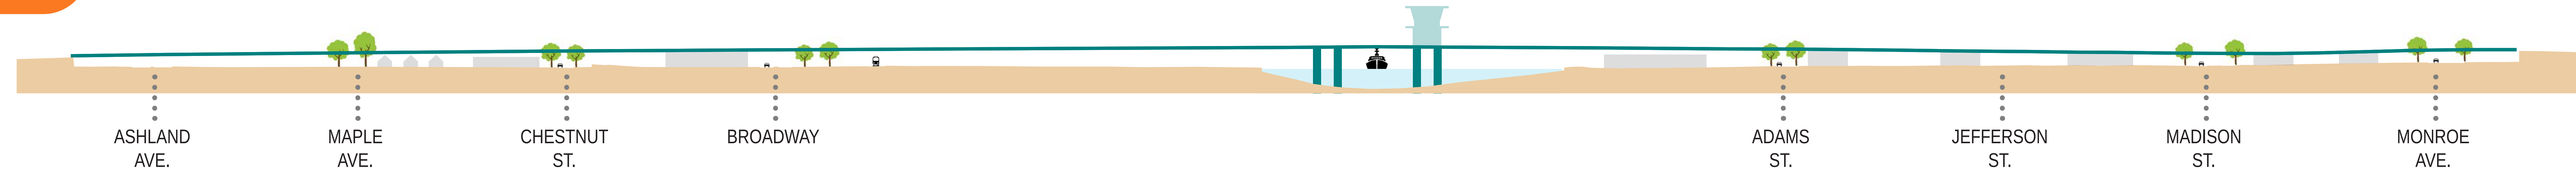

MASON STREET TODAY - EXISTING CONDITION

Mason Street today is a grade-separated structure from S. Ashland Avenue on the west side, to S. Monroe Avenue on the east side.

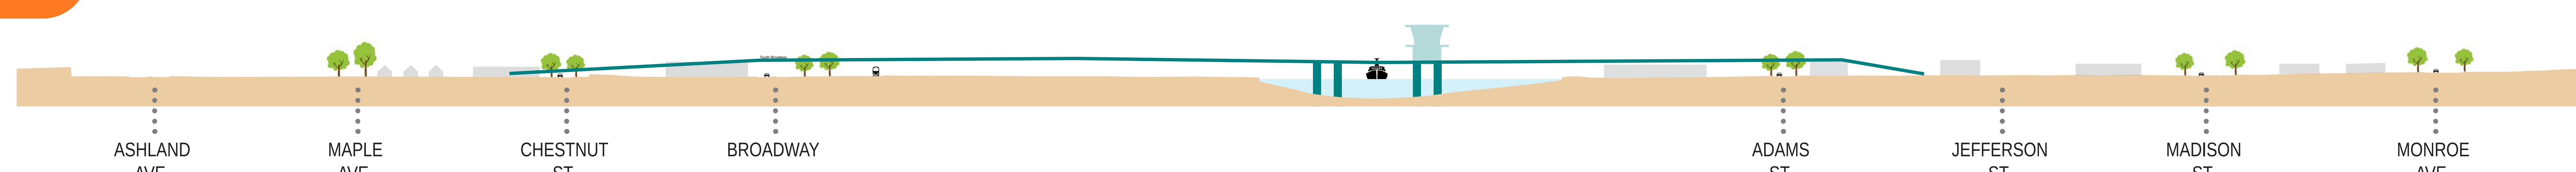

POSSIBLE ALTERNATIVES

E2 Will it stay a grade-separated structure from S. Ashland Ave. on the west side, to S. Monroe Ave. on the east side?

H1 Will it remain an elevated structure from Chestnut St. to Jefferson St. with new at-grade intersections at Ashland Ave. and Monroe Ave.?

H2/H4 Will it remain an elevated structure between Chestnut St. and the existing east bank of the Fox River with new at-grade intersections at Ashland Ave., Adams St., and Monroe St.?
