WisDOT Project ID: 8610-00-04/74
Northwest Region
Various Highways in Chippewa, Dunn, Eau Claire, Pierce and Trempealeau Counties

This letter is intended to provide notification of an upcoming Wisconsin Department of Transportation (WisDOT) rehabilitation project in the Northwest Region. Any comments received will be documented in the environmental review process. The WisDOT project team appreciates your participation and comments on this preferred alternative.

Project Description

The proposed project consists of applying polymer overlays to seven structures on various highways to extend the service lives of the bridge decks. Construction is currently scheduled for the summer of 2028.

Structures included:

- Chippewa County:
 - B-09-0124, B-09-0125 and B09-0126: All carrying WIS 124 over O'Neil Creek between Eagleton and WIS 64
- Dunn County:
 - B-17-0225: WIS 25 over Hay River north of Wheeler
- Eau Claire County:
 - C-18-0018: US 12 (Clairemont Avenue) over the pedestrian underpass just east of Keith Street in the city of Eau Claire
- Pierce County:
 - B-47-0213: US 10 over Plum Creek in Plum City
- Trempealeau County:
 - B-61-0238: US 53 over a branch of the north fork of Beaver Creek in Trempealeau northeast of Ettrick

Proposed Traffic Impacts

The work will be completed under traffic using lane closures with flagging operations during daylight hours.

Schedule

Preliminary design began: January 2024
Plans, specifications and estimate submittal: November 2027
Scheduled construction: Summer 2028
