

US 10

Buffalo County: City of Mondovi

Dan Rambo

WisDOT- Project Manager

Public Information Meeting

Summer 2026

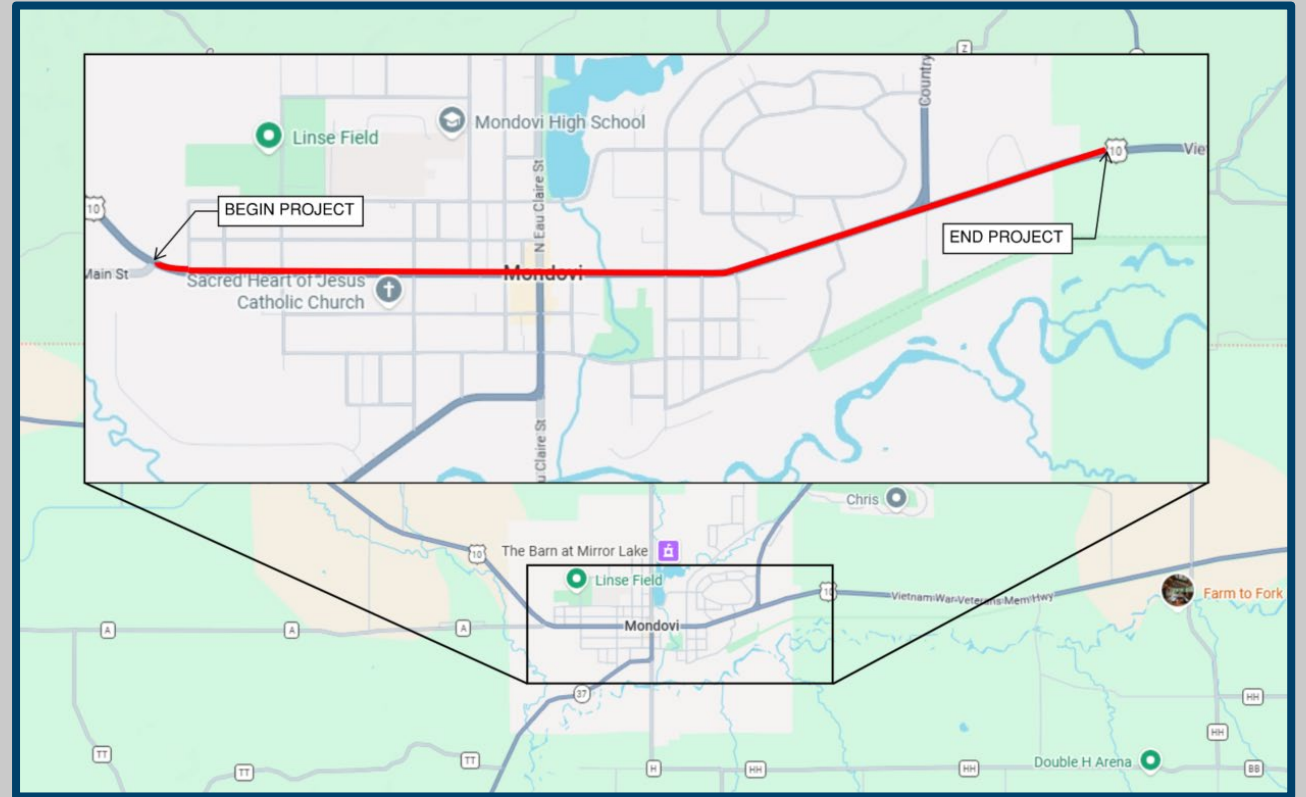

Agenda

- Project Location
- Purpose and Need
- Proposed Improvements
- Traffic Control
- In This Together
- Schedule
- Project Contacts
- Public Comment

Project Location

- US 10, Buffalo County
 - Project extends through the city of Mondovi
 - Western termini: County A
 - Eastern termini: 1,580 feet east of WIS 37 North

Project Length: 1.67 miles

Purpose and Need

- Purpose of the project
 - Extend the service life of the roadway and address safety, accessibility and drainage issues
- Need for the project
 - Deteriorated pavement
 - On-street flooding due to inadequate storm sewer
 - Safety concerns related to pedestrians

Proposed Improvements

- Replacing existing asphalt pavement with 8 inches of concrete pavement
- Replacing approach slabs and pavement markings at Peeso Creek Bridge
- Replacing storm sewer systems
- Replacing sidewalks
- Replacing curb and gutter
- Replacing lighting in the downtown area
- Replacing existing sanitary and water utilities
 - Work being completed by city

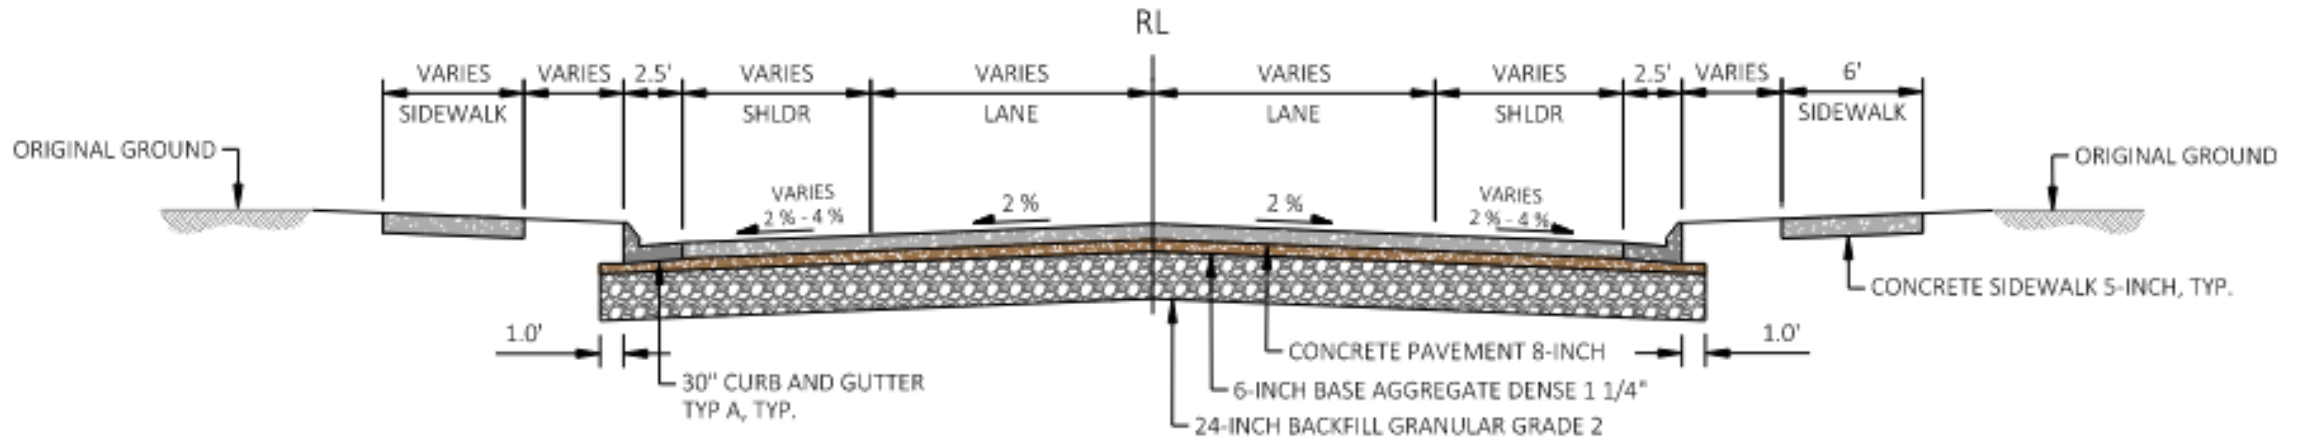

Proposed Improvements

- Majority of geometrics remaining unchanged
- US 10 to be narrowed between Monroe Street and WIS 37 North (parking removed)
- New sidewalk added from Kwik Trip to Joel Street

Proposed Improvements

PROPOSED TYPICAL SECTION - USH 10

Traffic Control

- During construction:
 - Motorists and pedestrians will encounter:
 - A detour for through traffic on US 10
 - Possible local traffic detour onto adjacent city streets
 - Partial closure of Marten Street
 - Temporary pedestrian accommodations
 - Access to adjacent businesses and residential properties to be maintained

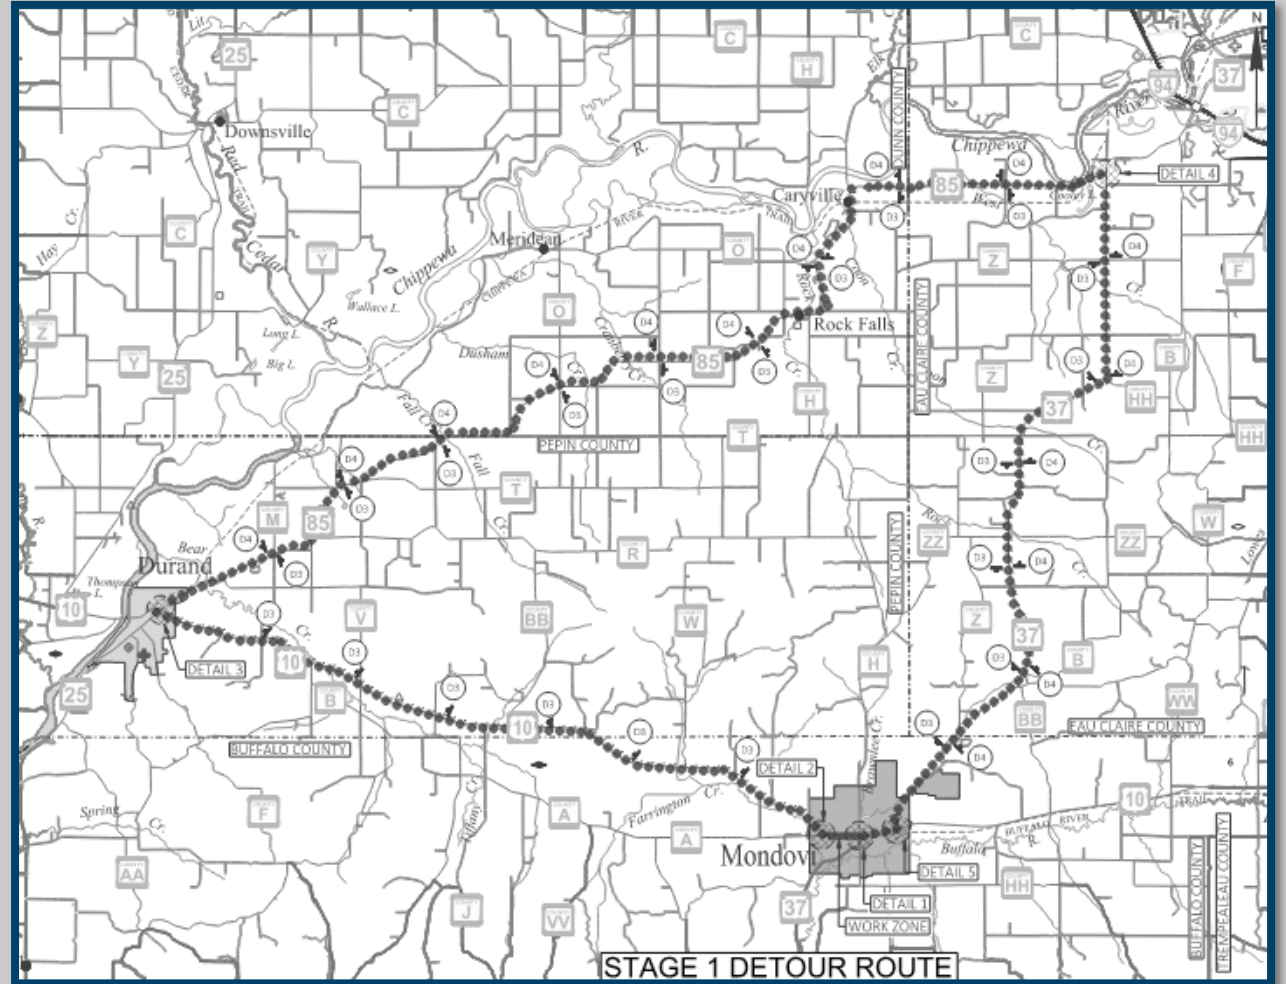

Traffic Control

- During construction, traffic will be staged.
 - Stage 1
 - Construction scheduled for 2030
 - Anticipated to include area from WIS 37 South to the west
 - Stage 2A and Stage 2B
 - Construction scheduled for 2031
 - Anticipated to include areas from WIS 37S to the East.

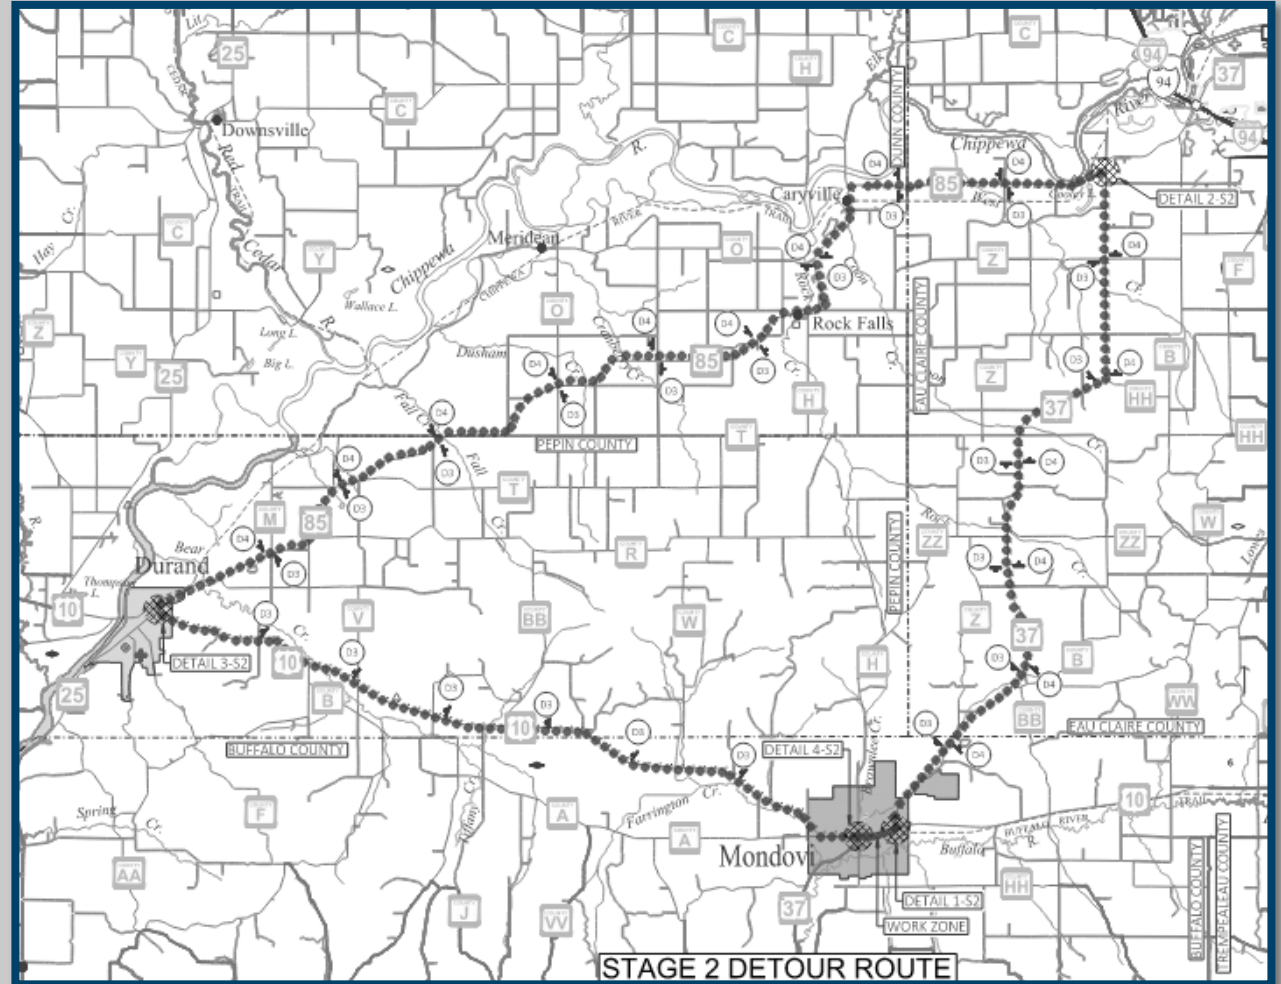

Traffic Control: Stage 1 Detour

- Construction limits:
 - County A to WIS 37 South
- Posted detour route:
 - US 10, WIS 85 and WIS 37

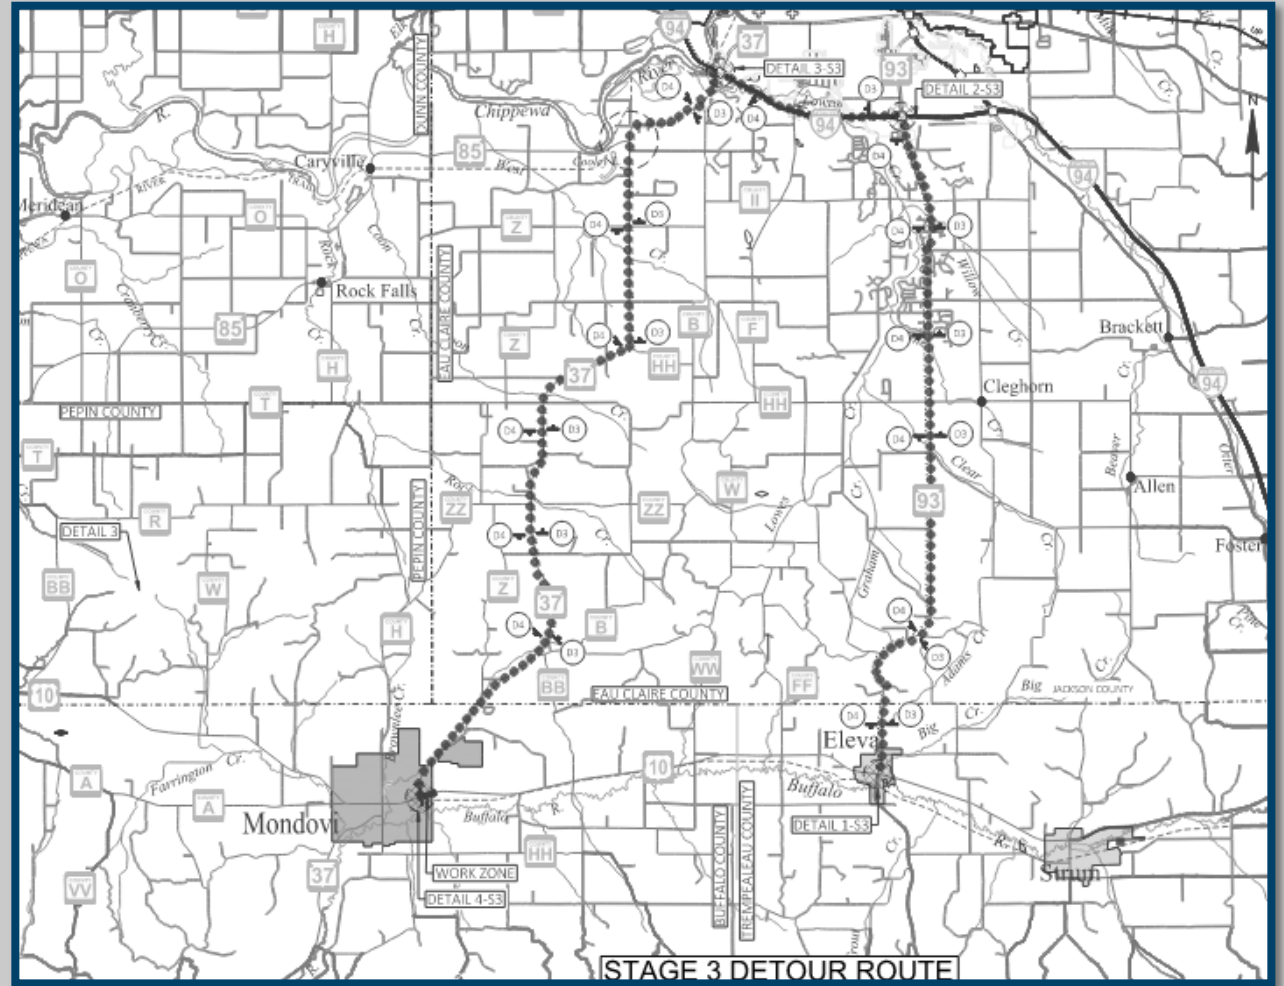

Traffic Control: Stage 2A Detour

- Construction limits:
 - WIS 37 South to WIS 37 North
- Posted detour route:
 - US 10, WIS 85 and WIS 37

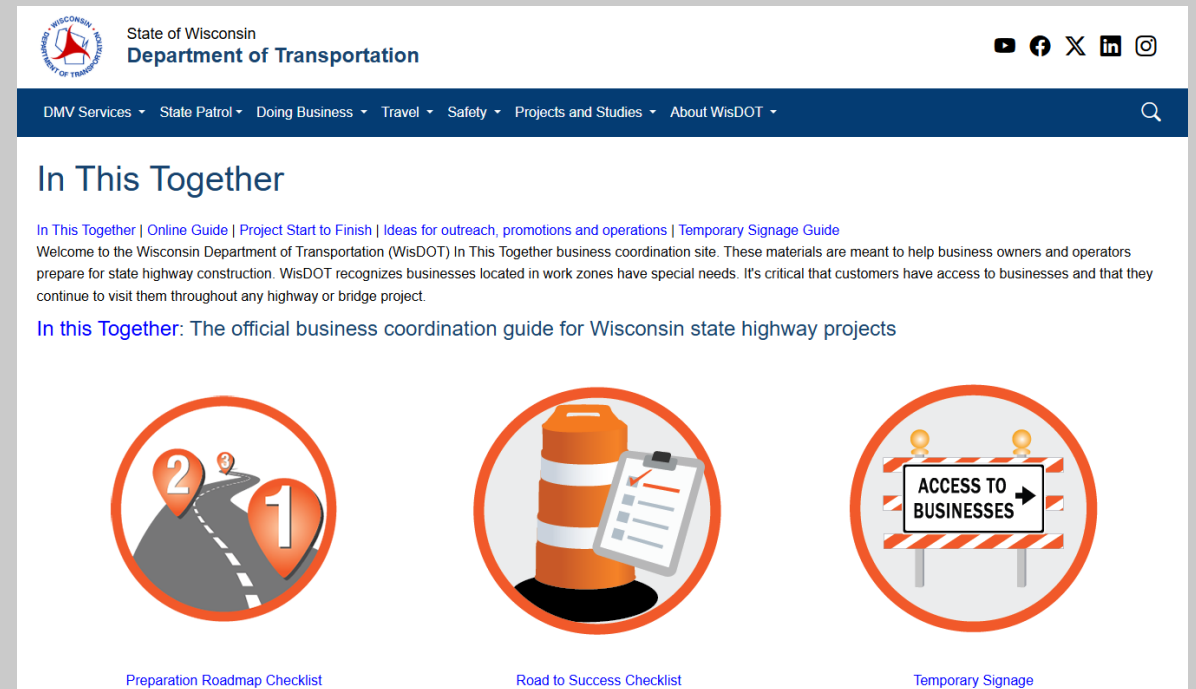

Traffic Control: Stage 2B Detour

- Construction limits:
 - WIS 37 North to east end
- Posted detour route:
 - WIS 37, I-94 and WIS 93

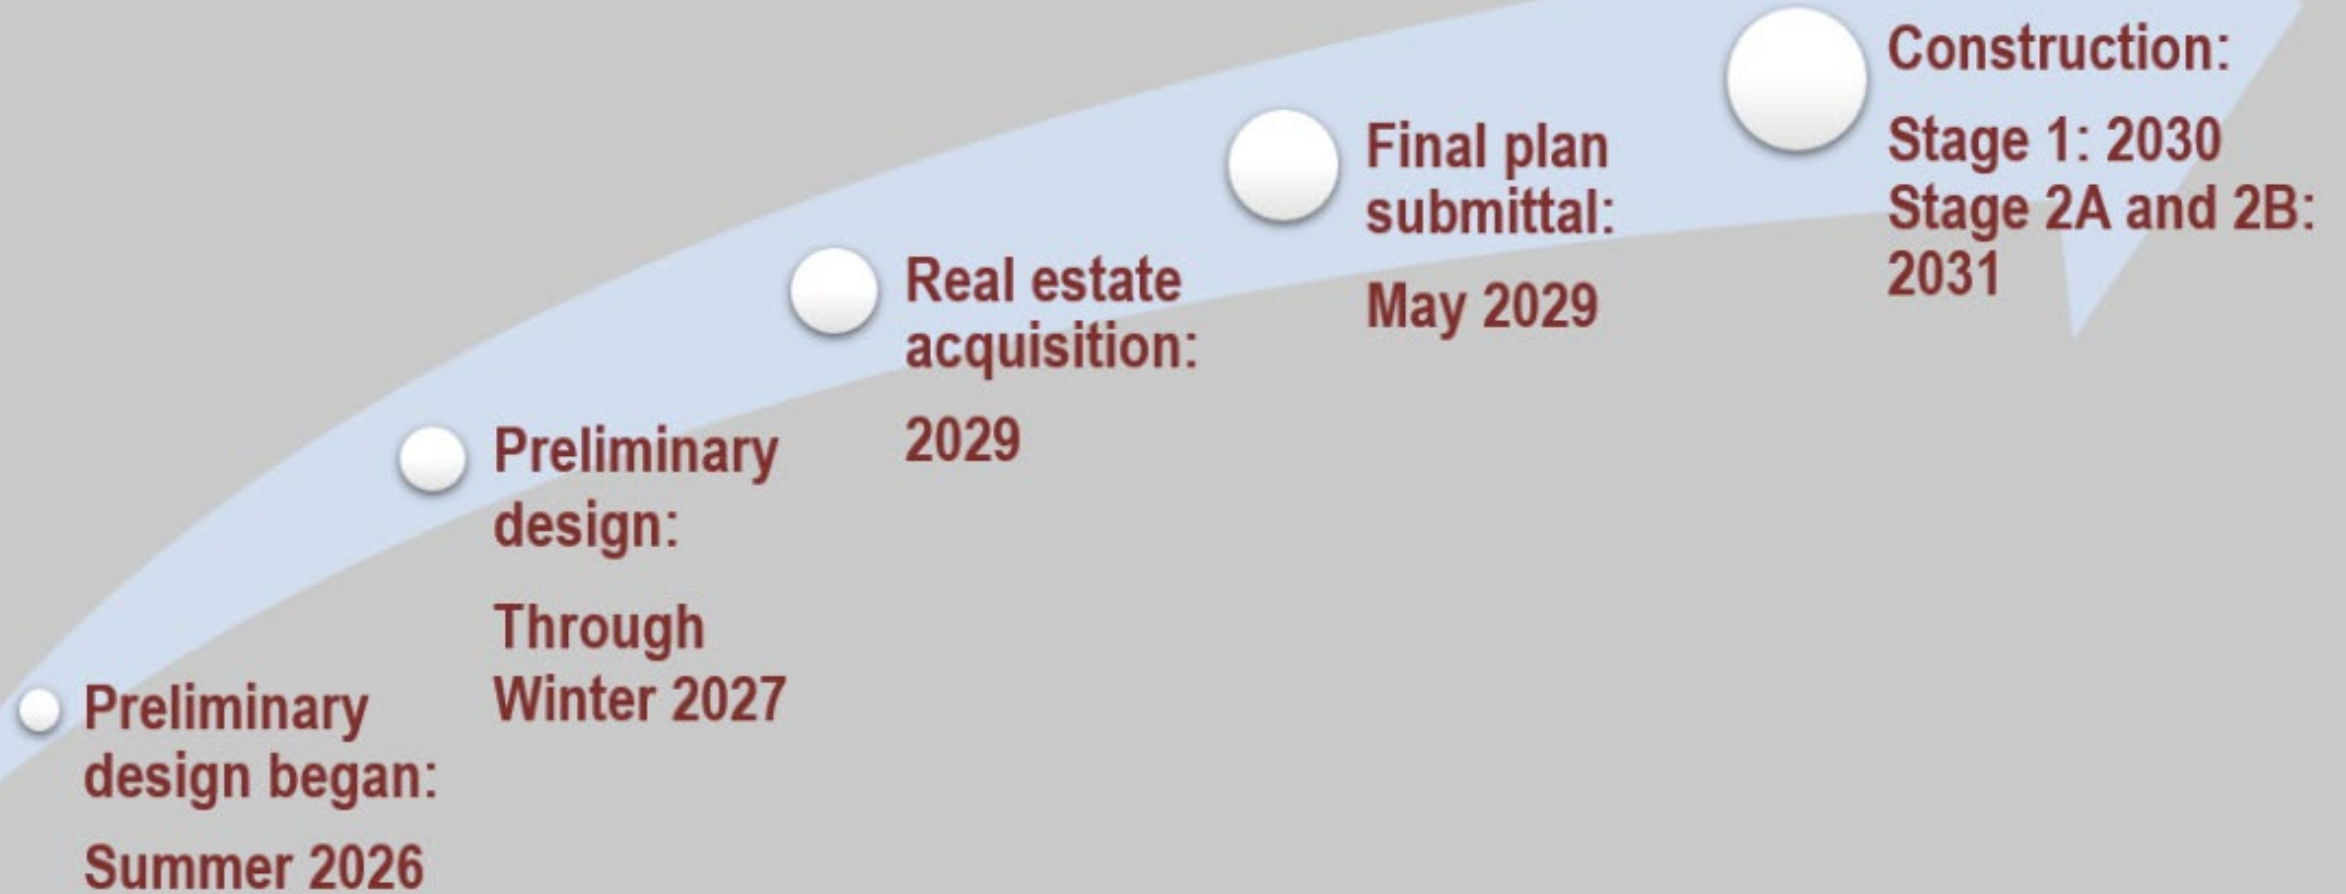

In This Together

- Program designed to assist businesses in navigating WisDOT construction projects
 - Includes:
 - Timeline
 - Temporary signage
 - Ideas for outreach
 - <https://wisconsindot.gov/pages/projects/in-together/default.aspx>
