

WIS 29, County X Bridge Chippewa County

Rehabilitation Project Information Presentation

Winter 2025

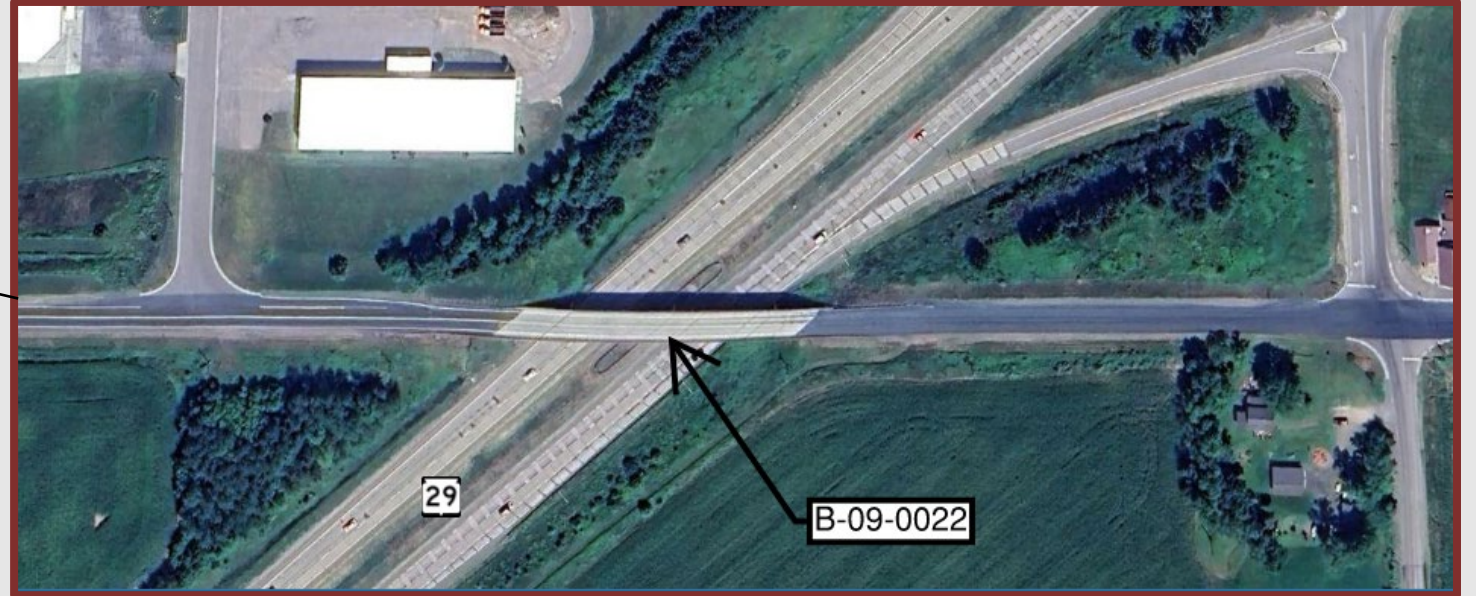

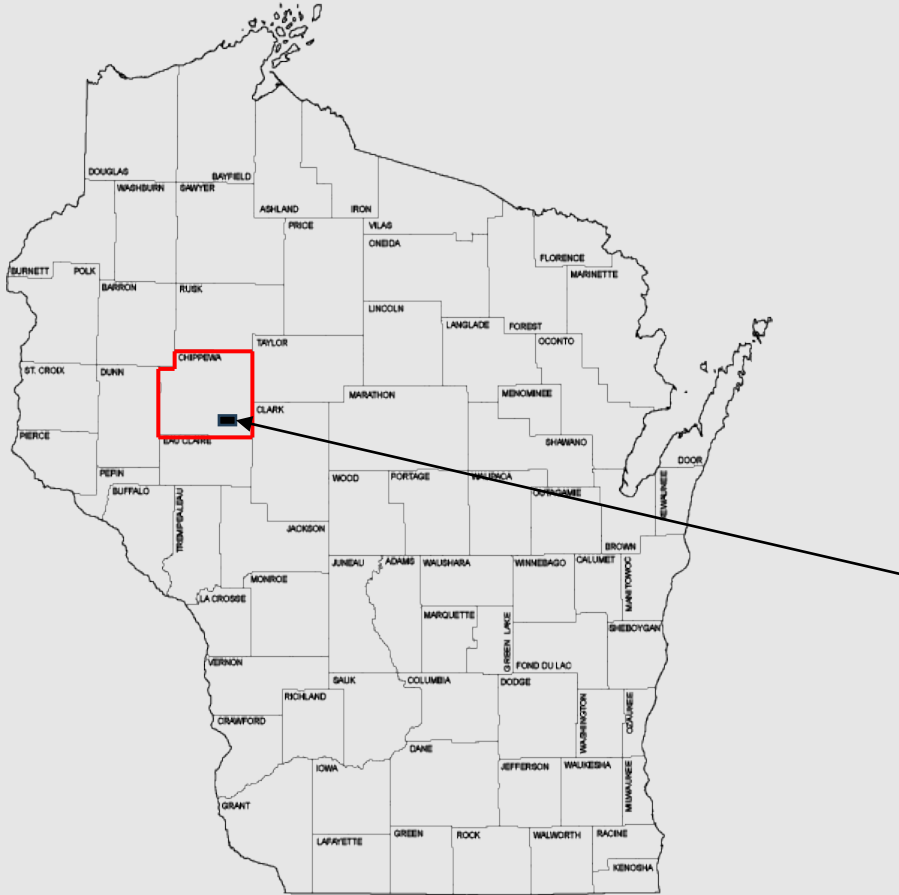

Agenda

- Location
- Purpose and Need
- Proposed Improvements
- Proposed Traffic Impacts
- Project Schedule
- Contact Information
- Public Comment

Location

- WIS 29
 - County X, village of Boyd

Purpose and Need

- Bridge exhibiting signs of deterioration:
 - Delaminating, cracking and debonding concrete
 - Exposed steel girders and bearings
 - Spalling at various locations
 - Leaking expansion joints

Proposed Improvements

- Replace existing bridge deck
- Spot paint girders and bearings
- Repair the concrete surface on bridge columns and fiber wrap them
- Add concrete pavement approach slabs
- Reconstruct roadway approaches
- Replace guardrail on County X and WIS 29

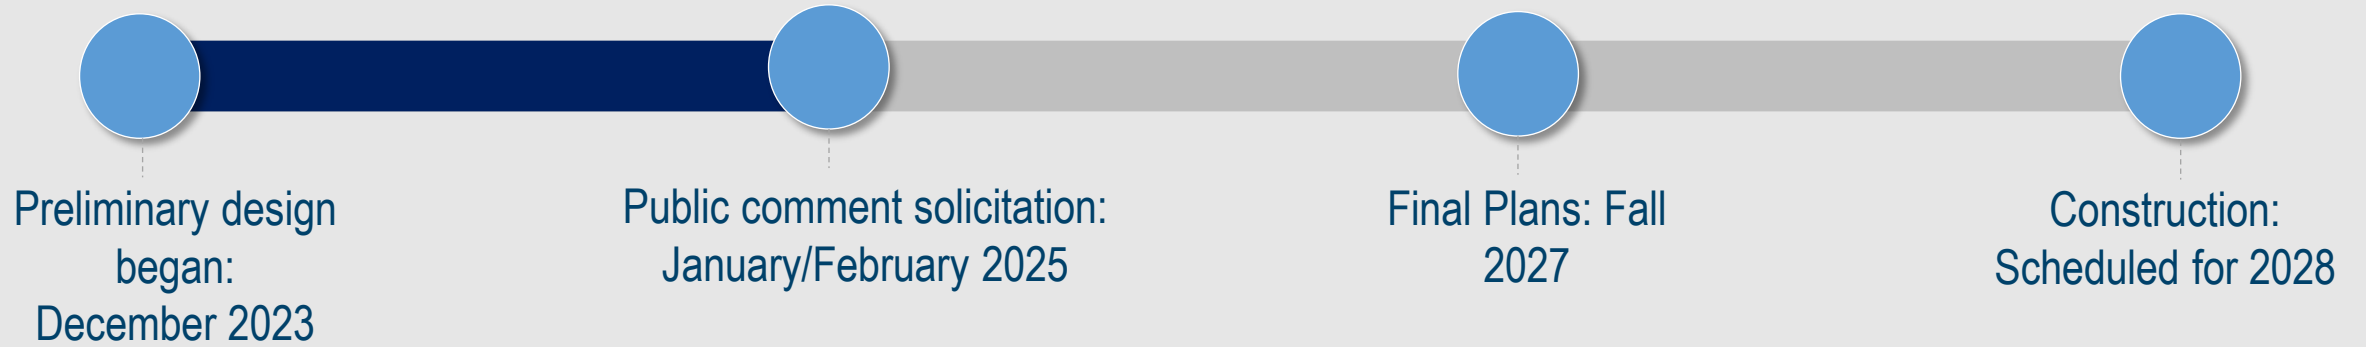

Proposed Traffic Impacts

- Motorists can expect to encounter the following:
 - County X will be closed to traffic during construction; traffic will be detoured using County D and County V.
 - WIS 29 will remain open to traffic, but lane closures during non-peak travel times will be necessary to complete work.
 - Nightly closures of the on- and off-ramps at the WIS 29/County X interchange might be needed.

Project Schedule
