### WIS 175 Improvement Project– WIS 60 to N. Maple Avenue

The Wisconsin Department of Transportation (WisDOT) is proposing to make improvements to 1.25 miles of WIS 175 in Washington County.

#### Proposed Improvements:

- Mill and overlay roadway surface
- Replace curb ramps to meet current WisDOT and ADA standards
- Replace storm sewer in select locations
- Improve signing and pavement markings

The purpose of this project is to provide long-term improvements to the pavement, operation, and safety of the roadway.

#### Traffic Impacts

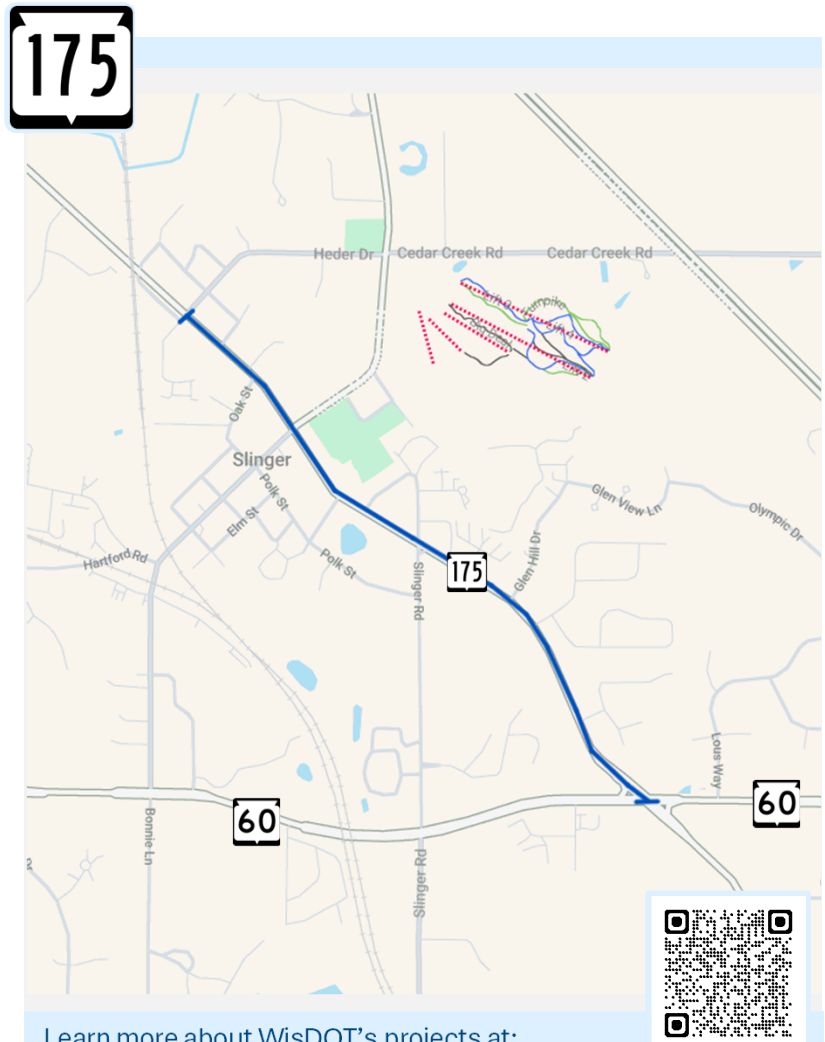

Construction is anticipated to **start in spring of 2030**. During construction, WIS 175 will remain open to traffic. Lane closures and flagging operations are anticipated. Access to local residences and businesses will be maintained.

### Share your feedback!

Join WisDOT for a **public involvement meeting** to learn more about the project, get your questions answered, and provide input to the project team:

- **Wednesday, November 6 | 4 – 6 p.m.**
- **Slinger Village Hall (300 Slinger Road)**

*This will be an open-house style meeting. The meeting will be wheelchair accessible. Deaf or hard of hearing persons needing assistance may contact Nguyen Ly via the Wisconsin Telecommunication Relay System (dial 711). To allow time for arranging assistance, please call no later than three working days prior to the public involvement meeting.*
