

PUBLIC INVOLVEMENT MEETING

WIS 181 IMPROVEMENTS | Wisconsin Ave – Center St

The Wisconsin Department of Transportation (WisDOT), in partnership with the City of Wauwatosa, is studying improvements to WIS 181 (Glenview Avenue & Wauwatosa Avenue), between Wisconsin Avenue and Center Street. The goal is to extend the life of the roadway, update outdated infrastructure, and create a safer corridor for all travelers — drivers, transit riders, pedestrians, and bicyclists.

YOU'RE INVITED:

You are invited to attend a public involvement meeting. The purpose of the meeting is for you to view initial improvement alternatives and to meet with staff, ask questions and share your input.

NOVEMBER 19, 2025
5 - 8 p.m.

CITY HALL LOWER LEVEL CIVIC CENTER
7725 West North Avenue
Wauwatosa, WI 53213

PROJECT COORDINATION:

Private utilities and cultural resources may be present within the project area. Coordination with the appropriate agencies will continue as the project advances.

If you have any knowledge of archaeological sites, historic buildings, or other cultural resources in the project area, please share that information with WisDOT staff so it can be considered during project development.

Persons who are deaf, hard of hearing, or speech disabled may request an interpreter by contacting Doug Cain at douglas.cain@dot.wi.gov. The Wisconsin Telecommunications Relay System (dial 711) may also be used to contact WisDOT. Persons with limited English proficiency who require a translator may request these services by contacting WisDOT at least three working days prior to the meeting.

STAY UP TO DATE:

Project information, including exhibits and handouts, will be available on the **WisDOT project webpage** at the QR code or link below and on the **City of Wauwatosa's Engage Wauwatosa site** at engage.wauwatosa.net

Both sites will provide an opportunity to review materials and submit comments online. All meeting materials will be available on the project webpage following the PIM.
