Welcome to the Public Involvement Meeting for the resurfacing of WIS 32 from E Dean Road to N Mohawk Rd in the Village of Bayside, Milwaukee County. Representatives from the Wisconsin Department of Transportation (WisDOT) project team are available to address your questions and concerns.

### **Meeting Purpose**

The intent of the meeting is to be informative. We are here to discuss the proposed project with you, answer questions, and listen to your comments, concerns and/or suggestions. This meeting will be an open house format from 5:00 p.m. to 7:00 p.m. Please review handouts and exhibits at your leisure.

In addition to this handout, you should have received a sheet for your written comments and input regarding the proposed project. Please mail any written comments about the project before September 3, 2024, or leave them in the comment box tonight. You can also email your comments to the contacts listed below.

### **Project Purpose**

The purpose of this project is to improve the existing pavement and enhance safety for all roadway users. The roadway pavement is in poor condition and needs regular maintenance.

### **Proposed Improvements**

- 4-inch mill and overlay with spot base patching/full depth pavement replacement.
- All curb ramps will be replaced to meet ADA standards. Several pedestrian crossings will be re-aligned throughout the project area.
- Repair and clean existing culverts at multiple locations.
- Ditching/grading will occur at multiple locations.

### **Current Project Schedule**

- Public Involvement Meeting – August 6, 2024
- 60% Roadway Plan – September 2024
- Environmental Document – September 2024
- Design Study Report – November 2024
- Real Estate Acquisition – 2026
- Final Plan Submittal – 2028, as early as 2027
- Construction – 2029, as early as 2028
