Project Overview

The Wisconsin Department of Transportation (WisDOT) is proposing to replace the pavement on approximately 2 miles of WIS 32 in Milwaukee County. The purpose of this project is to provide long-term improvements to the pavement, operation, and safety of the roadway.

Proposed Improvements:

- Replace the entire pavement structure
- Remove and replace all curb and gutter
- Update bike and pedestrian accommodations
 - Review possible alternatives to existing
- Improve safety and operations
 - Shorten pedestrian crossings where possible
 - Add lane arrow markings
 - Narrow up intersections
- Replace signals & Update Lighting
- Bridge work on Farwell at the Oak Leaf Trail

Parking Impacts:

- Prospect:
 - Parking Spaces – existing 461, proposed 448, reduction 13
- Farwell:
 - Parking Spaces – existing 480, proposed 470, reduction 10

Alternatives being Reviewed:

- Transit-Only lanes
- Off-street bike accommodations

Schedule

This project is currently in preliminary design. Construction is anticipated to start in Spring of 2032 but could start as early as Spring of 2031 pending available funding.

Preliminary Design

2024-2026

Final Design

2026-2030

Construction

2031 OR 2032

Real Estate

Most of the work is anticipated to occur within the existing right of way, however real estate acquisition will be required at select locations. Affected property owners will be contacted later in the design process.

Information for Businesses

Find WisDOT's 'In This Together' guide for tips, tools, and resources to help businesses plan for highway construction at wisconsindot.gov/together.

Possible Alternatives being reviewed:

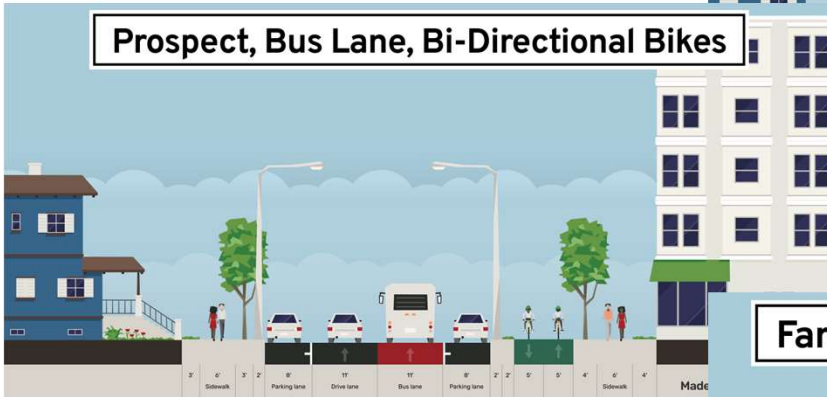

Prospect, 7' Bike Path, one direction

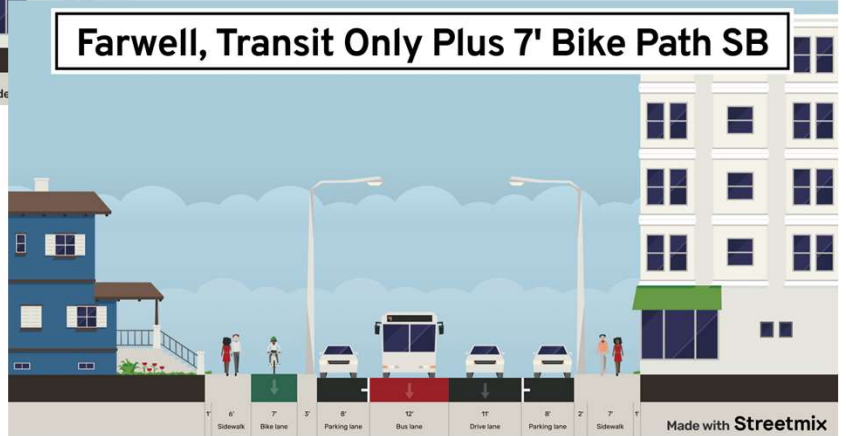

Prospect, Bus-Only with On-Street Bikes

Prospect, Bus Lane, Bi-Directional Bikes

Farwell, Transit Only Plus 7' Bike Path SB

Public Input

We encourage you to speak with the project representatives and share your questions and input – especially regarding historical assets, underground utilities, drainage issues or other environmental concerns. A comment sheet is available for your written input, which can be mailed before October 1, 2025, or left in the comment box tonight. Your feedback is valuable and will help us develop a project that meets the needs of both the traveling public and the local community.
