

Structure Improvements

I-43, N Halyard Street to W Capitol Drive
WisDOT Project ID: 1228-22-03

PROJECT NOTICE

The Wisconsin Department of Transportation (WisDOT) is proposing to perform routine bridge maintenance from N. Halyard Street to W. Capitol Drive to keep bridges in sufficient condition.

WHY

Bridge maintenance is essential to ensuring the safety of motorists and pedestrians, extending the lifespan of bridges.

CONSTRUCTION IMPACTS

Construction is anticipated for 2027. Where possible, bridges will be staged to maintain vehicle, bicycle, and pedestrian connectivity over I-43. Vehicle and pedestrian detours will be provided for fully closed bridges.

WHAT'S THE PLAN?

- Routine bridge maintenance is planned for the I-43 corridor between N. Halyard Street and W. Capitol Drive. Planned maintenance will vary based on identified needs and could include painting, bearing replacement, steel girder repair, deck replacement, expansion joint replacement, bridge overlays, and railing replacement. Work is planned on the following structures within the corridor.
 - N. Halyard Street, W. North Avenue, W. Wright Street, W. Keefe Avenue, W. Atkinson Avenue, N. Dr MLK Jr Drive, and W. Capitol Drive over I-43.
 - I-43 SB off-ramp to N. 8th Street over I-43 SB on-ramp
 - I-43 SB off-ramp to N. 8th Street retaining wall
- 12th Street bridge over WIS 145
- The Ring Street pedestrian bridge will receive a new concrete deck, new approach pavement, new retaining wall at the west approach, new fencing, new lighting and steel girder repainting.
- The Vienna Avenue pedestrian bridge rehabilitation will include existing concrete deck repairs, new approach pavement, new fencing, new lighting, and steel girder repainting.
- Replacement of non-compliant pedestrian curb ramps at adjacent intersections throughout the corridor.
- Pavement rehabilitation for portions of W. Garfield Avenue, N. 7th Street, W. North Avenue, W. Keefe Avenue, W. Atkinson Avenue, and N. 8th Street.
- Traffic signal work is planned at the 8th Street & North Avenue, 7th Street & North Avenue, 8th Street & Keefe Avenue, 7th Street & Keefe Avenue, Halyard Street & Garfield Avenue, 7th Street & Atkinson Avenue, and the 7th Street & Garfield intersections.
