

Wisconsin Department of Transportation

WIS 60 Reconstruction Project – 1st Avenue to 10th Avenue

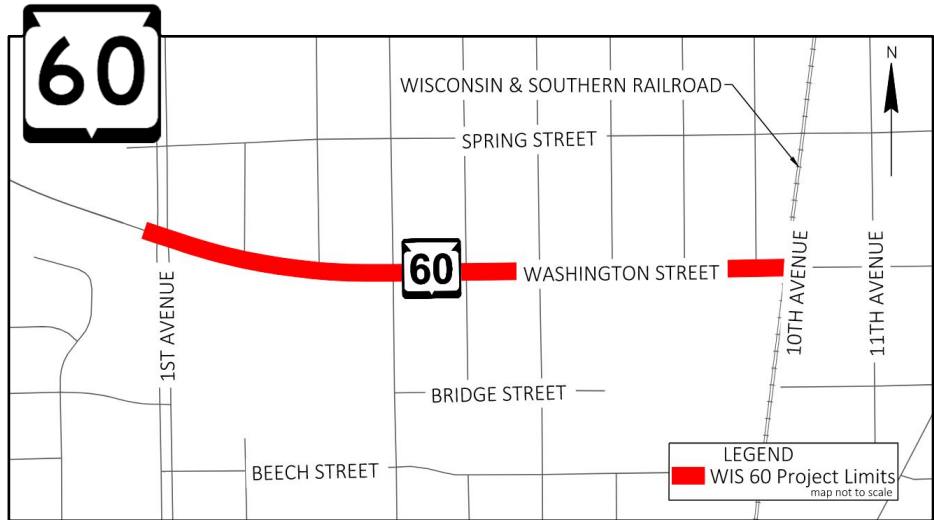

The Wisconsin Department of Transportation (WisDOT) is proposing to reconstruct 0.6 miles of WIS 60 (Washington Street), from 1st Avenue to 10th Avenue in Ozaukee County.

The purpose of this project is to improve the pavement and enhance operations, safety, and accessibility throughout the project corridor.

Proposed Improvements:

- Complete replacement of pavement and curb & gutter
- Curb ramp reconstruction
- Traffic signal replacement and added left turn lanes at WIS 60 and 1st Avenue intersection
- Added bike lanes from 2nd Avenue to 9th Avenue
- Railroad crossing reconstruction

Construction could start as early as 2028, pending available funding

You're Invited!

Join WisDOT for a **public involvement meeting** to learn more about the project, get your questions answered, and provide input to the project team:

- **Thursday, March 13 | 5 – 7 p.m.**
- **Grafton Village Hall Board Room (860 Badger Circle, Grafton WI, 53024)**

This will be an open-house style meeting with project displays available for viewing. The project team will be in attendance to answer questions. The project team would also appreciate any knowledge of historical or archaeological resources, drainage concerns, underground utilities, or environmental concerns. Parking is available on-site. If you would like an interpreter for the meeting, contact the project manager below. Hearing and visually impaired individuals may request accommodations by calling Wisconsin Telecommunication Relay System (TTY) at 711.

Public input, such as details about private facilities in the right of way, helps the project team prepare for construction and deliver projects efficiently. Contact the project representative below with questions, comments, and any information you may have:
