

LOCAL OFFICIALS MEETING

92nd Street Bridge
Greenfield
January 16, 2025

RECONSTRUCTION

PROJECT LOCATION

92nd Street Bridge - Greenfield

Project foundation

Replacing	Replacing an aging structure.
Ensuring	Ensuring the long-term functionality of transportation infrastructure.
Reconstructing	Reconstructing a bridge before it reaches a critical state is more cost-effective than addressing an emergency. Proactive investment in reconstruction avoids higher costs associated with emergency repairs.

92nd Street Bridge Anticipated Changes

Reconstruct 92nd Street Bridge within existing right-of-way

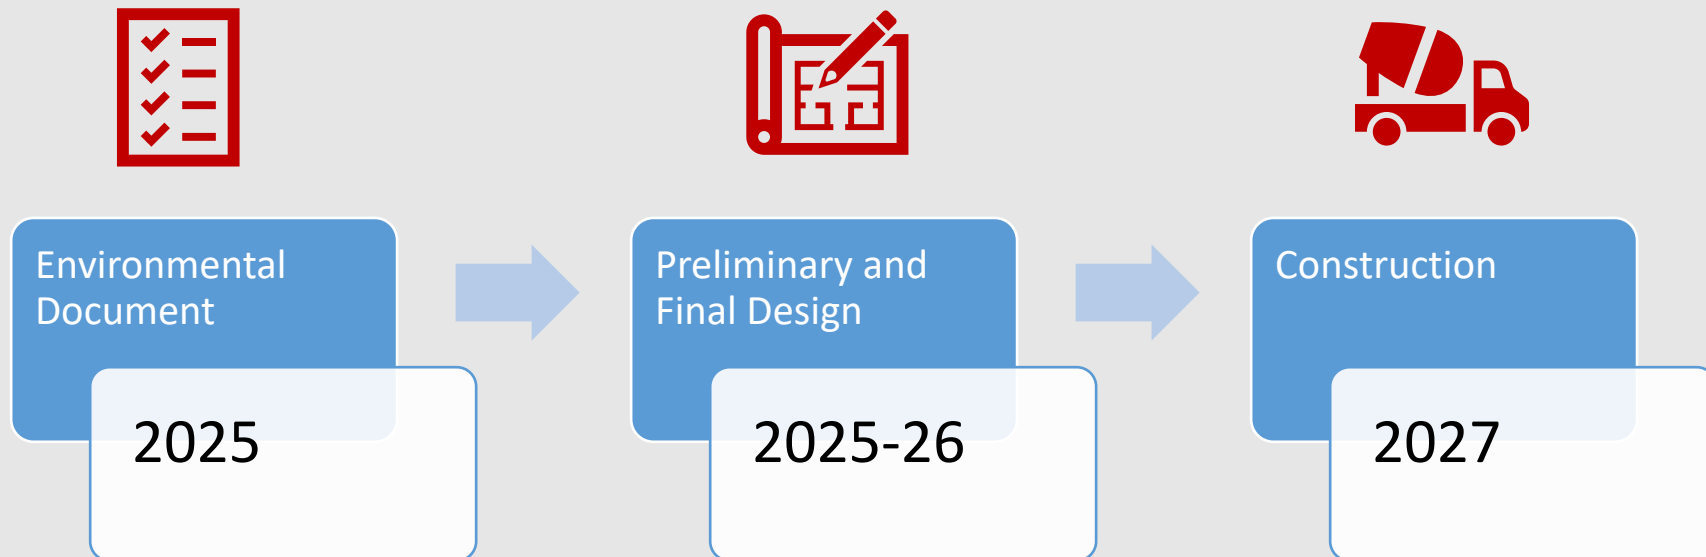

Straighten alignment where roadway curves to meet bridge

Coordination with Powerline Trail

92nd Street Bridge Anticipated Schedule*

****Dependent on approvals and future funding allocations***
