

PRELIMINARY ALTERNATIVES

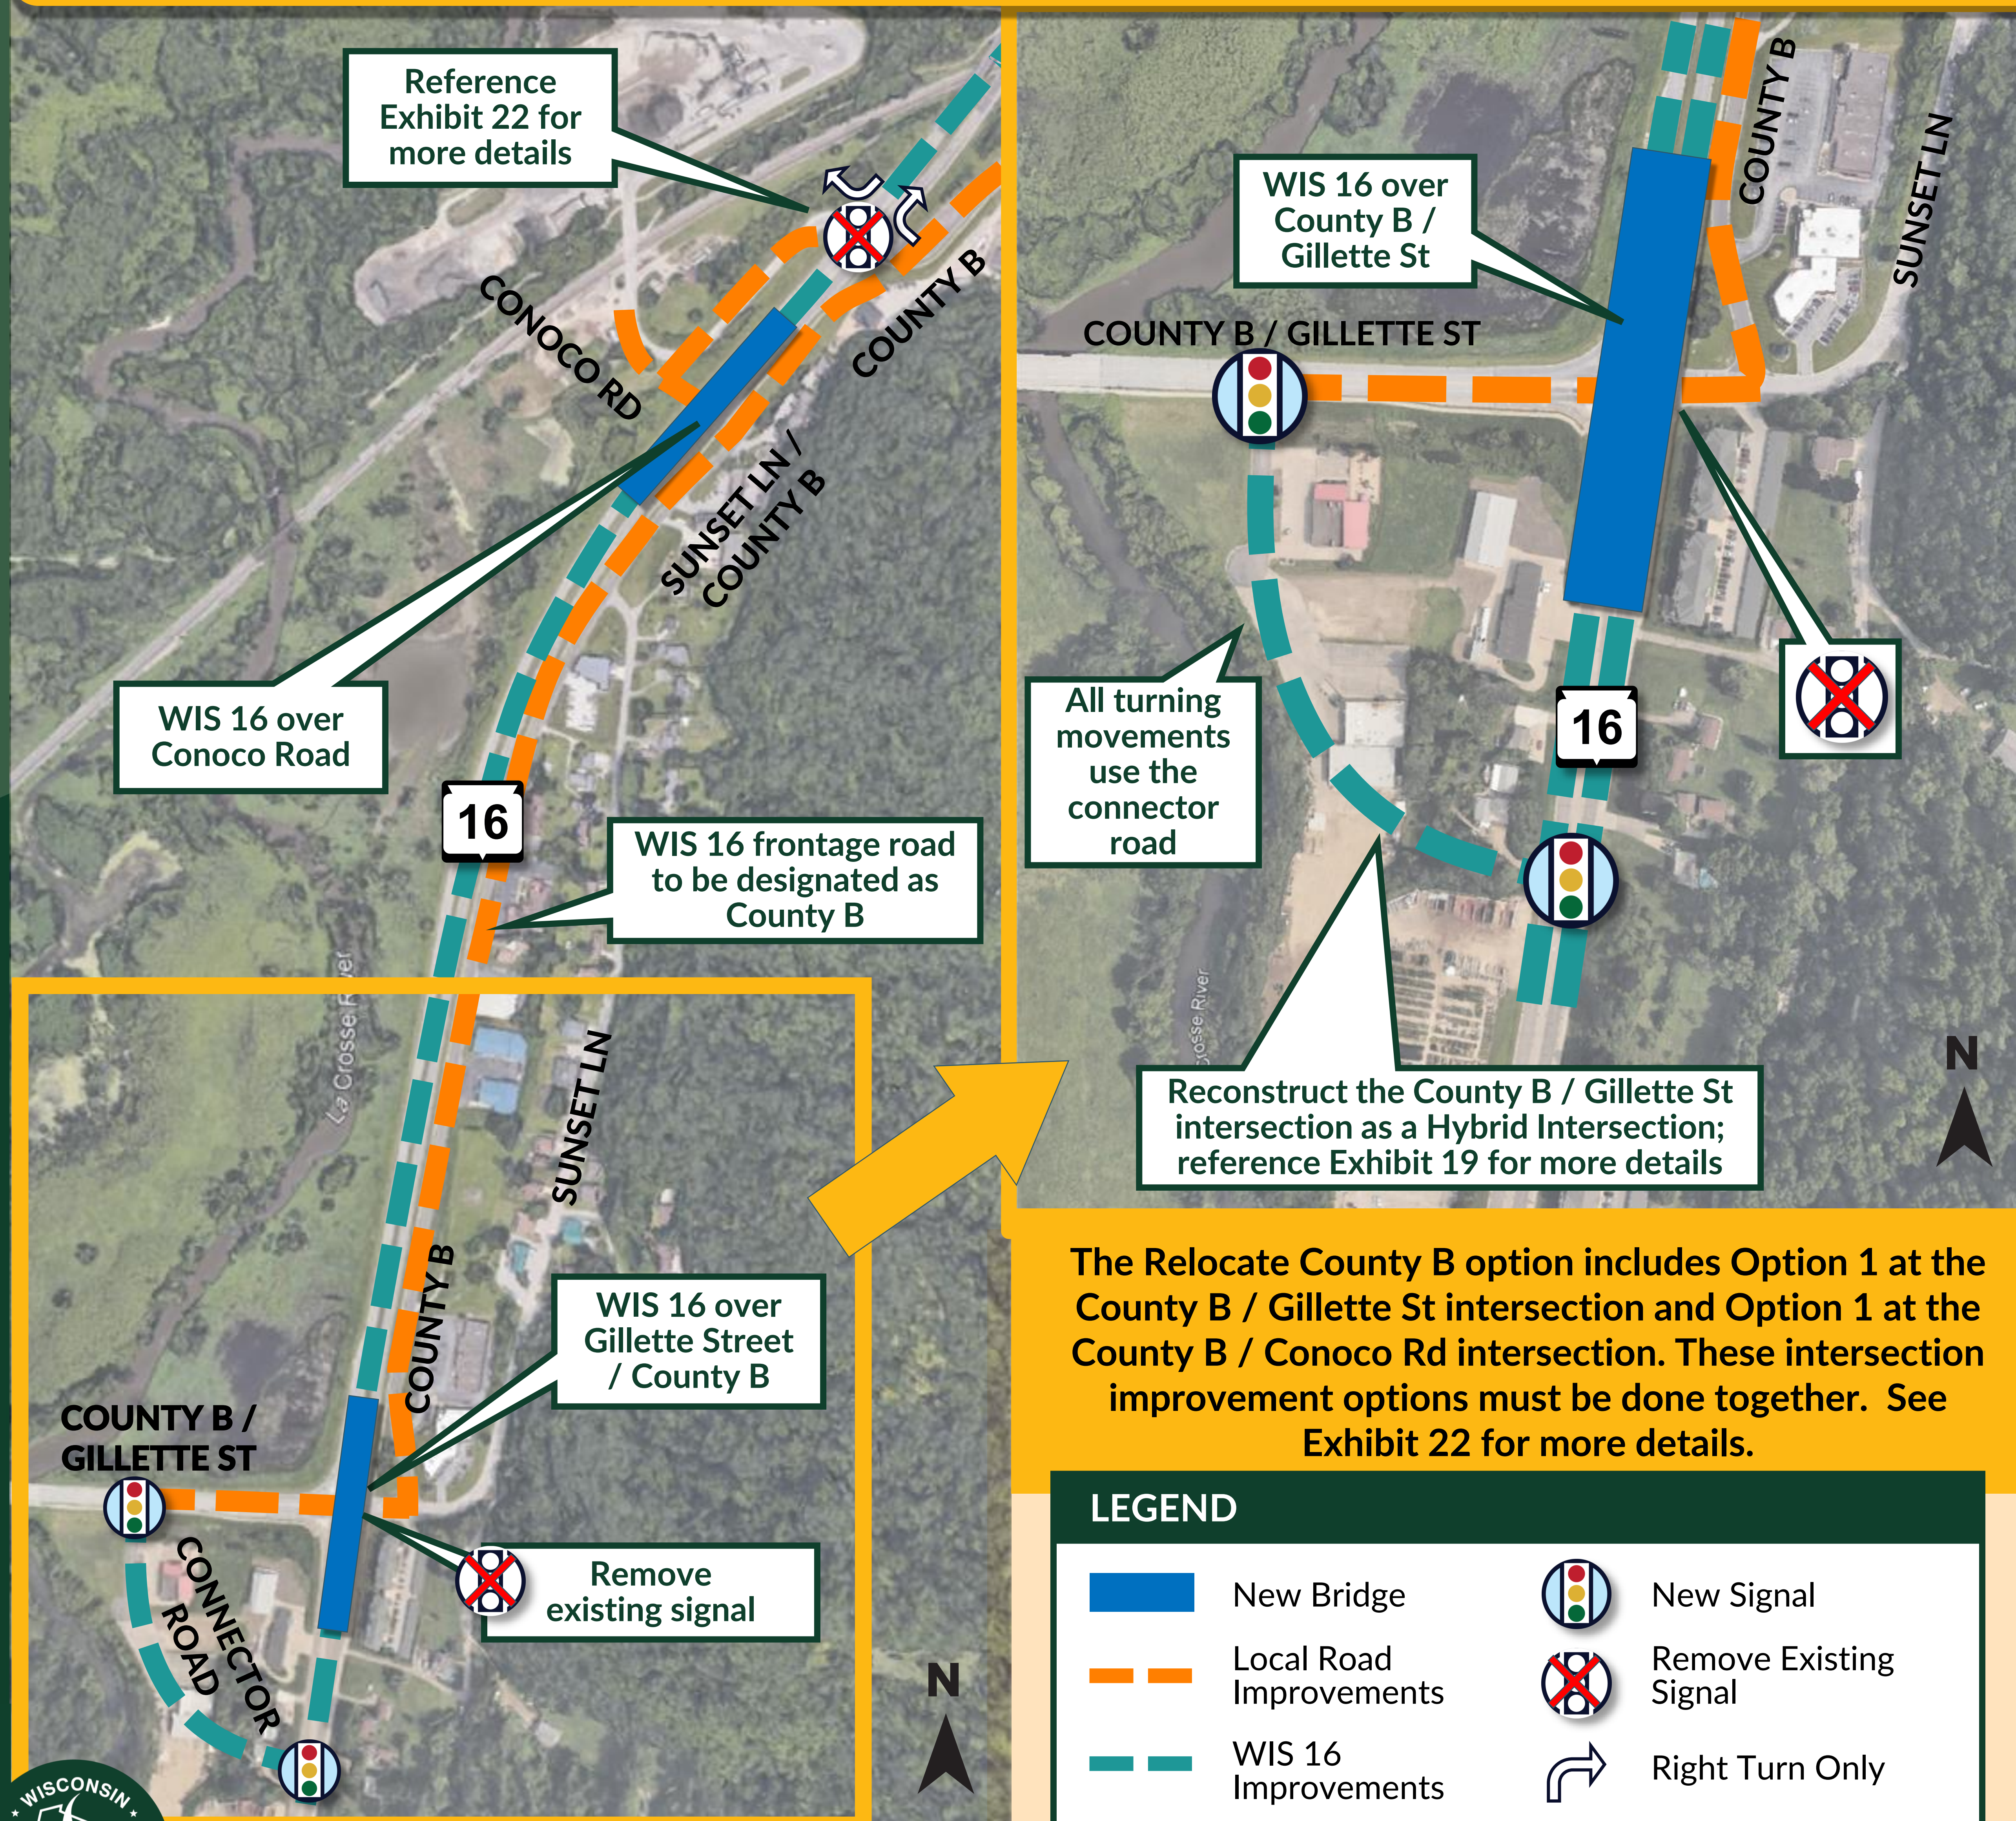

WIS 16 & County B / Gillette Street Intersection

EXISTING INTERSECTION ISSUES

- The County B / Gillette St intersection has the most intersection crashes along the study corridor
- The County B / Gillette St intersection is a high stress bicycle/pedestrian crossing
- The County B / Gillette St intersection has congestion today that is expected to worsen in the future

Option 1 of 3: Relocate County B

Realign County B to follow Sunset Lane and construct bridges for WIS 16 traffic

The Relocate County B option includes Option 1 at the County B / Gillette St intersection and Option 1 at the County B / Conoco Rd intersection. These intersection improvement options must be done together. See Exhibit 22 for more details.
