

PRELIMINARY ALTERNATIVES

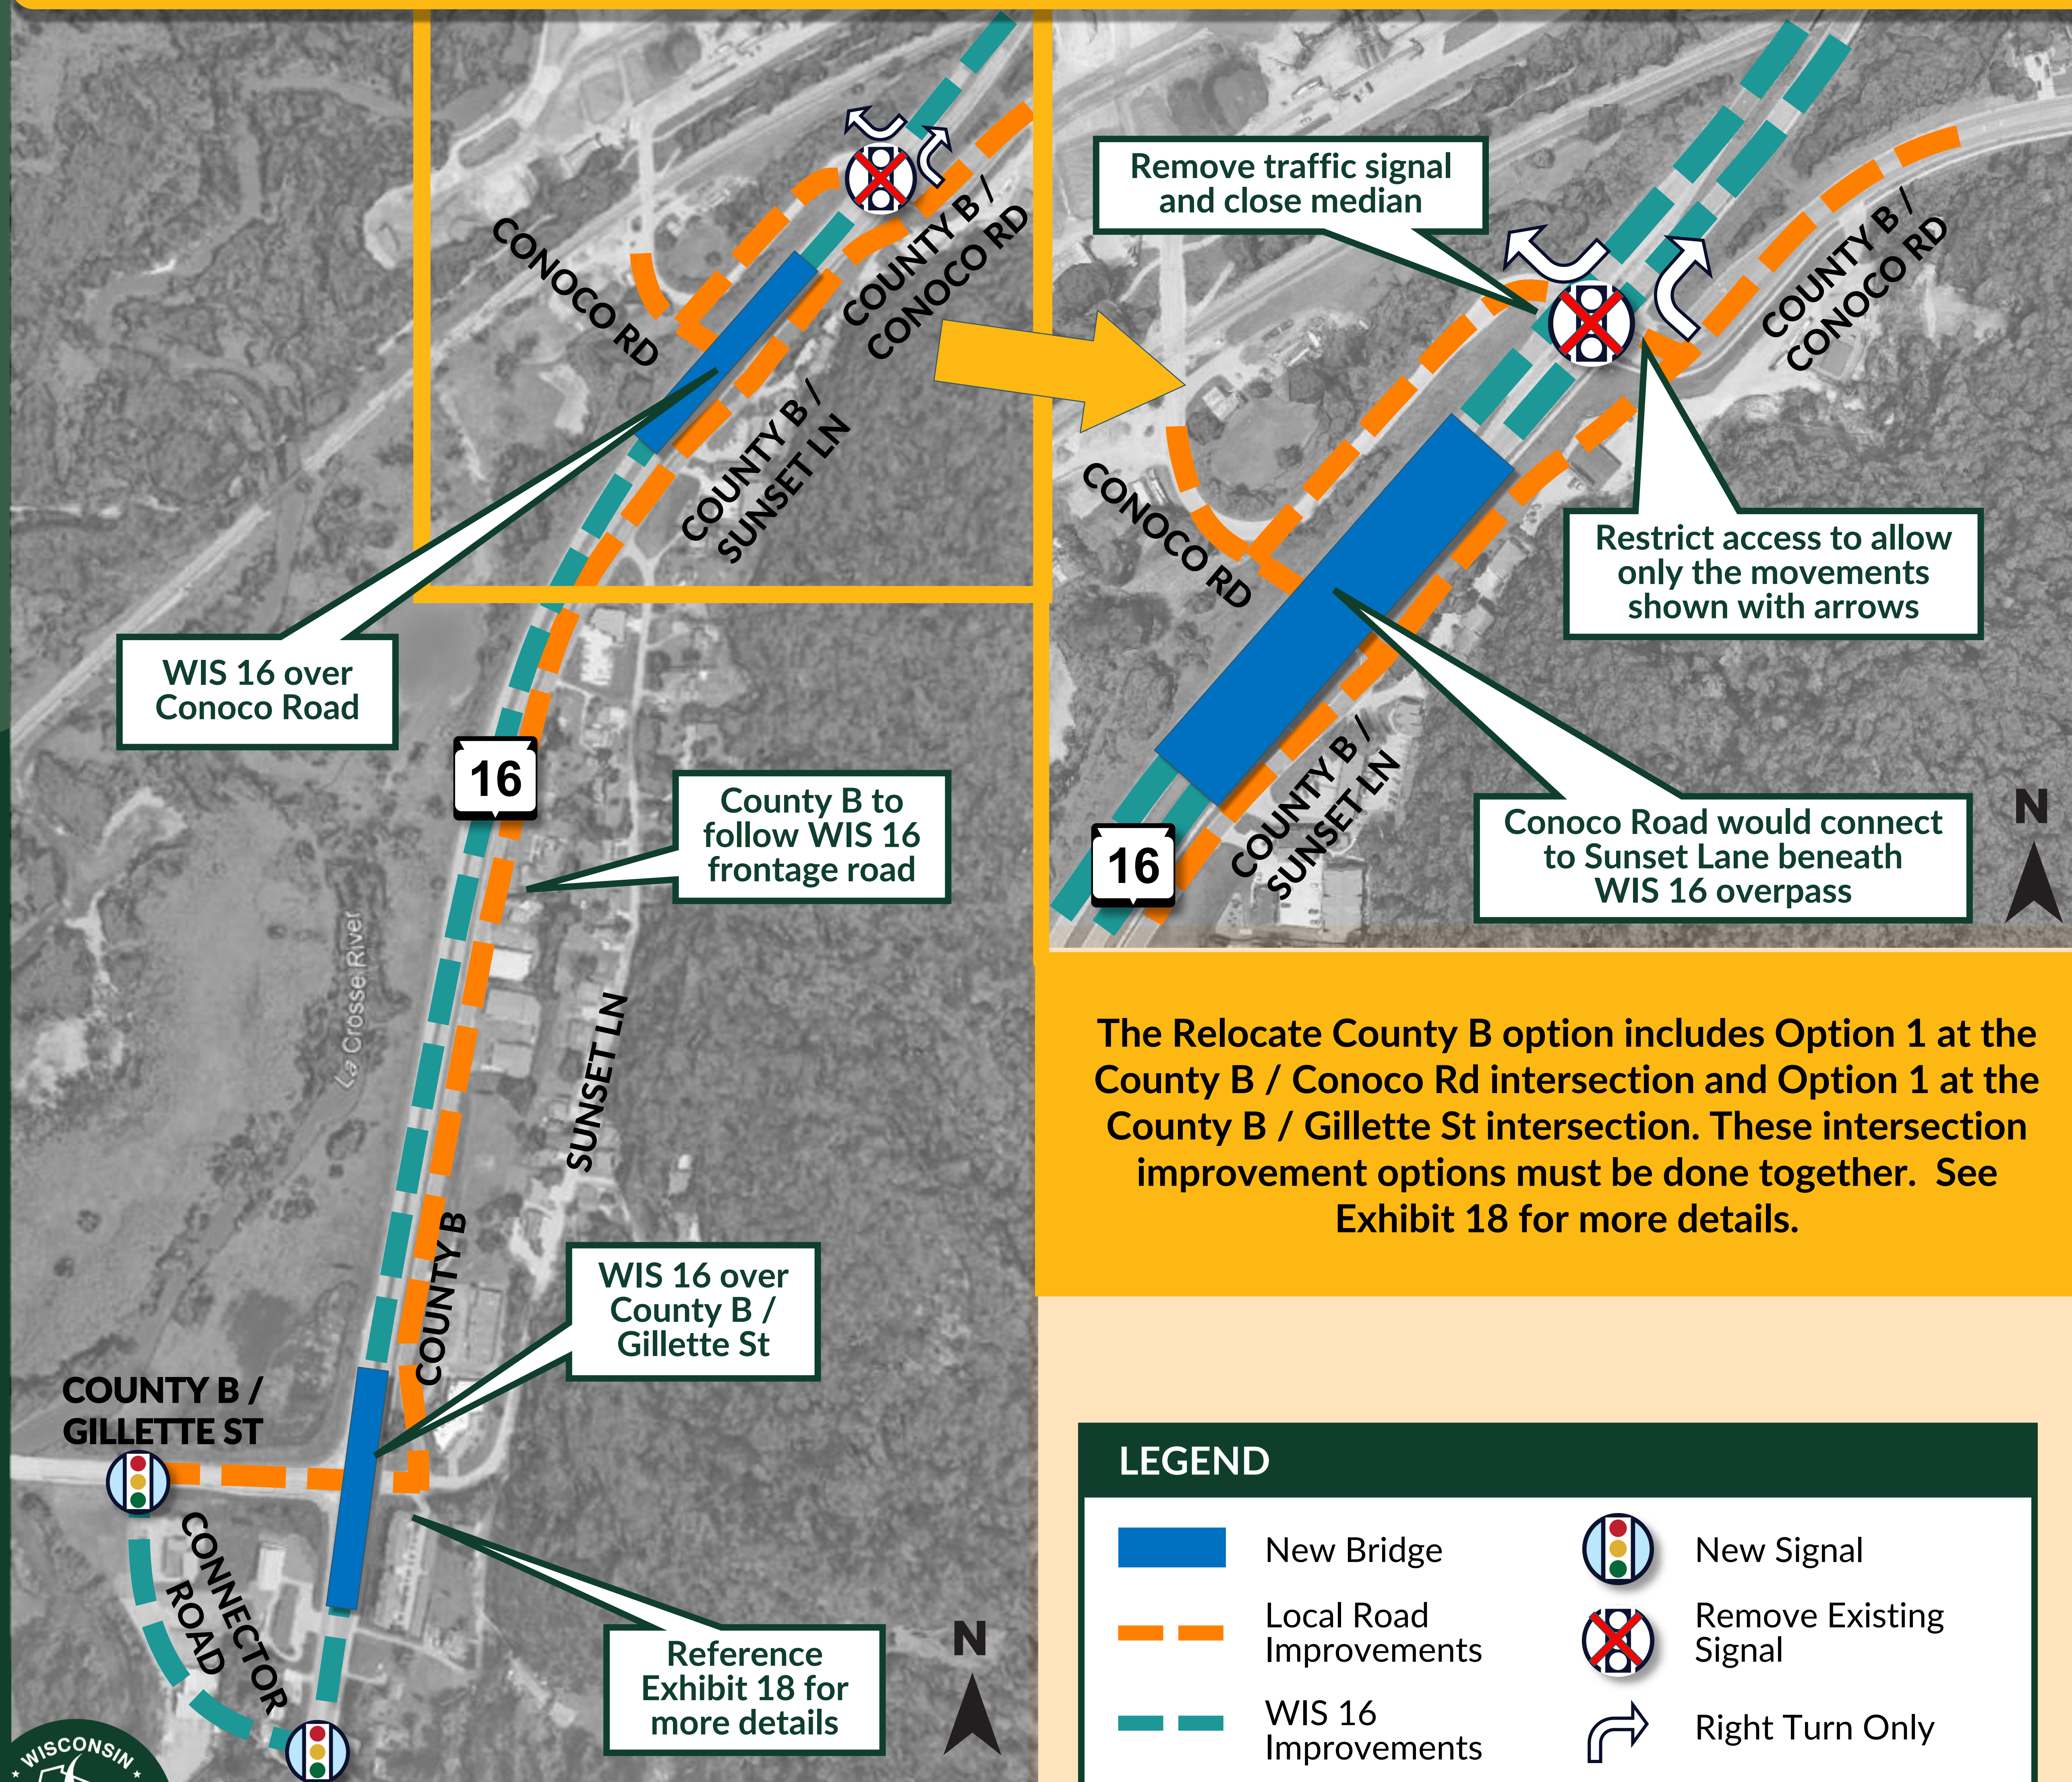

WIS 16 & County B / Conoco Road Intersection

EXISTING INTERSECTION ISSUES

- The County B / Conoco Road intersection has the fourth most intersection crashes along the study corridor
- The County B / Conoco Road intersection is a high stress bicycle/pedestrian crossing
- The County B / Conoco Road intersection has a crash trend of vehicles turning right on red and hitting southbound cyclists
- The County B / Conoco Road intersection has congestion today that is expected to worsen in the future
- Eastbound WIS 16 vehicles backup and block the Sunset Lane intersection
- Westbound WIS 16 vehicles in the left turn lane fill up and backup into the through lane

Option 1 of 3: Relocate County B

Realign County B to follow Sunset Lane and construct bridges for WIS 16 traffic

The Relocate County B option includes Option 1 at the County B / Conoco Rd intersection and Option 1 at the County B / Gillette St intersection. These intersection improvement options must be done together. See Exhibit 18 for more details.
