

Public Involvement Meeting

US 14

Bohmann Drive to County O

Richland County

October 18, 2023

Presentation outline

- Project Overview
- Proposed improvements
- Timeline for project delivery
- Current anticipated construction impacts
- Next steps

Project overview

Project Location

- West Limits – approximately 200 feet west of Bohmann Drive
- East Limits – County O
- Project Length is approximately 1.57 miles

Project overview

Project Description

- 4-lane urban roadway with two-lane left-turn lane
- Projected 2046 daily traffic
 - 13,500 – 18,100 vehicles/day (~6.8% trucks)
- Pavement condition
 - Initially constructed in 1987
- Posted Speed 40 mph

Project overview

Project Needs

- Pavement past service life
- Curb ramps do not meet the Americans with Disabilities Act (ADA) standards
- Broken segments of curb and gutter

Project overview

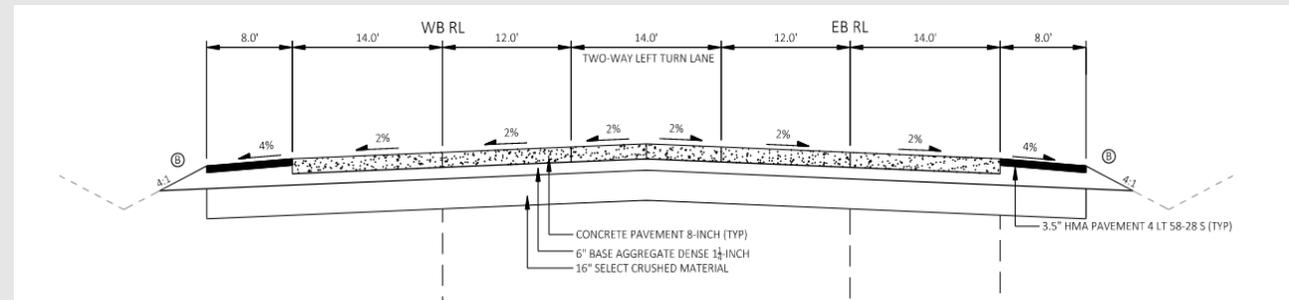

Project Needs

- Guardrail at western entrance to Richland Square is outdated and deteriorated
- Deteriorated culvert west of Simpsons Tractor
- Single overhead signal head installations

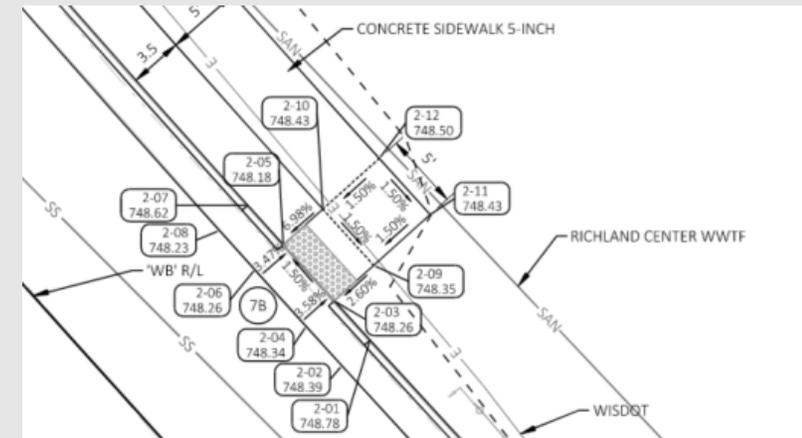

Proposed improvements

- Proposed improvements consist of the following:
 - **Replace existing pavement**
 - 8-inches of doweled concrete
 - 6-inches of base aggregate
 - 16-inches of select crushed material
 - **New curb and gutter or asphalt shoulder**
 - Match existing locations

Proposed improvements

- Proposed improvements continued:
 - Replace curb ramps with ADA-compliant ramps
 - Replace guardrail with current design
 - Replace deteriorated culvert pipe
 - Replace the traffic signals at the US 14 & Bohmann Drive and the US 14 and County O Road intersections
 - Replace the pavement markings

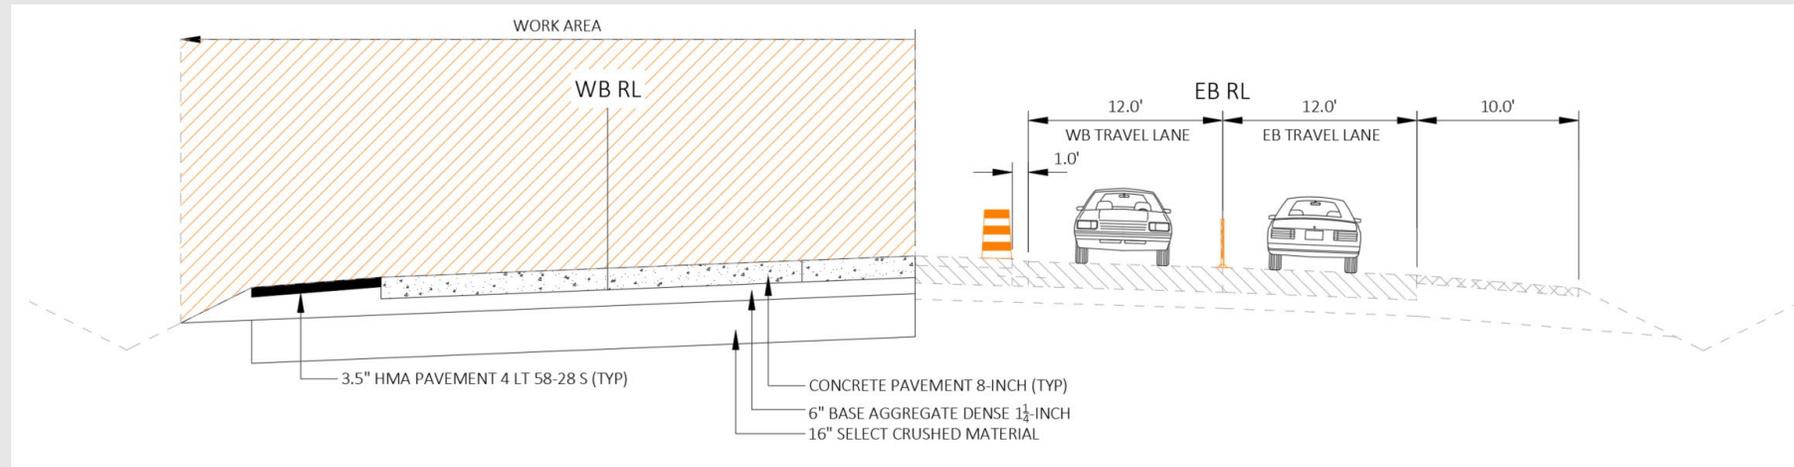

Timeline for project delivery

- Preliminary design and plans – Spring 2024
- Real estate process begins – Summer 2024
- Final plans – August 1, 2025
- Construction – Spring/Summer/Fall 2026

Current anticipated construction impacts

- US 14 construction will be completed while US 14 remains open to a single lane of traffic in each direction
- A temporary crossover will be utilized to move traffic to one side of US 14 at a time

Real Estate

- Two minor amounts of permanent acquisition will be required at the guardrail systems at Richland Square
 - 0.02 acres FEE total
- No relocations will be required

Current anticipated construction impacts

- Access to US 14 from all intersections will be maintained throughout construction
- Access to driveways along US 14 will be maintained, but some disruptions may occur when work is occurring in front of the driveway
- Temporary pedestrian accommodations will be provided during curb ramp construction

Next Steps

- Submit public comments by November 17th, 2023

- Contact us with any questions or concerns:
