

# Next Steps: Detailed Alternatives

Your feedback on the conceptual alternatives will help us identify which concepts move forward for detailed study.

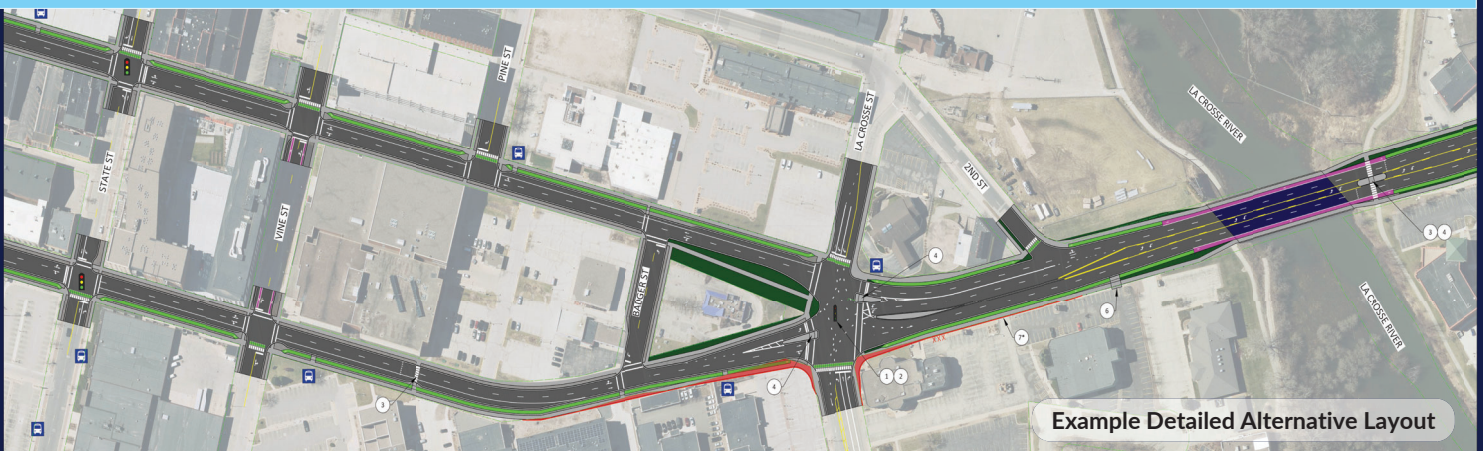

**November 2024  
public meeting:  
Corridor-wide concepts**

**July 2025  
public meeting:  
Intersection concepts**

**A public meeting in winter 2025/2026 will present  
3-4 detailed alternatives.**

## Detailed alternatives will define:

- ✓ Speed limits
- ✓ Roadway design characteristics
- ✓ Frontage road designs
- ✓ Intersection types
- ✓ Any potential new intersections
- ✓ Bicycle/Pedestrian accommodations
