Connected and Automated Vehicle TIM Training for Law Enforcement and First Responders Note Sheet

Questions for presenters/Training notes (There will be a discussion opportunity for participants to ask any questions they have from prior to or during the training. The space below allows for you to write down your questions and training notes. While this sheet is designed for personal use, you may return the sheet with your notes to WisDOT staff following the training. The department's connected and automated vehicle email can be found at the bottom of the page.)

found at the bottom of the page.)	
•	General information
•	Wisconsin State Statutes
•	Law enforcement and first responder scenarios
•	Technologies on the road today
•	Miscellaneous
