

Traffic Engineering, Operations & Safety Manual

Chapter 1 General

Section 25 Business Management

1-25-6 Charging for Signs

March 2023

For signing, the cost of which is to be billed to another party, a professional and technical project *should* be set up to receive charges.

Refer to [Program Management Manual 06-10-90](#) for more information on Professional & Technical Project setup, authorization and billing.
