

Date: March 22, 2019

To: Users of the Traffic Engineering, Operations & Safety (TEOpS) Manual

From: Bill McNary
State Traffic Engineer

Subject: MARCH 2019 ISSUANCE

Listed below and placed in the BTO Manuals Library website are changes and additions to the Traffic Engineering, Operations & Safety Manual. Please make your coworkers aware of the following changes and that they can be found at <http://wisconsindot.gov/Pages/doing-bus/local-gov/traffic-ops/manuals-and-standards/trans.aspx>.

The Traffic Engineering, Operations and Safety Manual can be found at:
<http://wisconsindot.gov/Pages/doing-bus/local-gov/traffic-ops/manuals-and-standards/teops/default.aspx>

The following changes to the TEOpS Manual have been made:

- TEOpS 2-15-51 Routine Sign Replacement Criteria (REVISED) – changes represent the new practice of corridor replacement for Type II signs that was adopted last year. Language is also inserted to no longer require Type II signs to be replaced with every project.
- TEOpS 3-2-1 Longline Marking (REVISED) – revised bike lane language and standard detail drawing references
- TEOpS 3-2-3 Special Marking (REVISED) – updated crosswalk and parking restrictions language and standard detail drawing references
- TEOpS 3-2-4 Island Marking (REVISED) – minor standard detail drawing reference update.

If you would like a hard copy of the Traffic Engineering, Operations & Safety Manual for \$110, please complete the form and follow the instructions located at:
<http://wisconsindot.gov/Documents/formdocs/dt2126.docx>.

For any questions regarding the transmittal or the manual library, please contact Emily Silverson (emily.silverson@dot.wi.gov) at (414) 225-3726.
