Park Falls-Springstead
STH 13 to Sanders Avenue
STH 182
Price County

Letting of November 8, 2016

This is Addendum No. 03, which provides for the following:

Special Provisions

Revised Special Provisions	
Article No.	Description
60.	Excavation, Hauling, and Disposal of Contaminated Sediment and Dewatering of Contaminated Sediment, Item SPV.0195.01.

60. Excavation, Hauling, and Disposal of Contaminated Sediment and Dewatering of Contaminated Sediment, Item SPV.0195.01.

Replace paragraph five under section titled A.2 Notice to Contractor – Contaminated Sediment Location with the following:

Manage all excavated sediment from existing and proposed bridge abutment and pier locations and from the proposed abutment riprap locations according to this special provision. Coordinate appropriate handling and disposal of sediment excavated as part of a contractor's means and methods, such as dredging or causeway construction/removal, with the WDNR and US Army Corps of Engineers.

The responsibility for notifying potential subcontractors and suppliers of these changes remains with the prime contractor.

Sincerely,

Mike Coleman
