Letting of June 13, 2017

This is Addendum No. 02, which provides for the following:

Special Provisions:

Revised Special Provisions	
Article No.	Description
4	Traffic

Special Provisions

4. Traffic.

Replace paragraph one with the following:

Do not store materials or equipment within the clear zone of traffic lanes during non-working hours unless protected by concrete barriers. Park equipment a minimum of 10-feet from the edge of the traveled way in live traffic areas. Remove materials from the clear zone prior to opening lane closures. Do not leave unprotected slopes steeper than 3:1 within the clear zone between the end of the working day on Friday and the start of the working day on Monday.

The responsibility for notifying potential subcontractors and suppliers of these changes remains with the prime contractor.

Sincerely,

Mike Coleman
