ADDENDUM NO. 01

5530-03-71

March 21, 2019

Special Provisions

6. Utilities

*Replace the text under the section titled **City of New Lisbon (Water)** with the following:*

City of New Lisbon (Water)

The following work is expected to be completed prior to construction:

The City of New Lisbon will be replacing water main from STA 117+46, 21' LT to STA 115+94, 70' LT. A section of water main will also be replaced from STA 116+45, 81' LT to STA 116+75, 133' LT. The water main replacement project will ultimately extend beyond the limits of the WisDOT project, up to the existing water main on Broadway Street. One fire hydrant will be relocated from STA 116+96, 22' LT to STA 117+23, 27' LT. Five water services will be replaced at STA 117+00, 28' RT, 117+31, 27' LT., 117+56, 44' RT, 118+69, 33' RT., and 118+71, 44' LT. The existing hydrant at STA 121+55, 22.5' LT will not be relocated.

The following work will be done during construction:

The hydrant at STA 121+55, 22.5' LT will be adjusted to final grade by city forces. Provide a 2- week advanced notice, and allow 1 day for adjustment once final grade is established.

Water valves adjustments within the pavement need to be completed by the Contractor.

Water valves and curb stops outside of the pavement will be adjusted by City forces. Provide one-week advance notice. Work will take one day during construction.

The water service at STA 113+65, 6' RT will be adjusted during storm sewer installation by city forces. Provide a 2-week advanced notice, and allow 1 day for adjustment once final grade is established.

The contact for the City of New Lisbon is Nick Wyss, 608-562-5213 (office) or 608-548-1666 (mobile), or nldpw@mwt.net
