**June 8, 2022**

**Special Provisions**

**3. Prosecution and Progress.**

*Delete paragraph five which reads as follows:*

Match milling and paving edges of adjacent lanes prior to completing work at the end of each day.

*Delete paragraph seven which reads as follows:*

Place the surface layer of asphalt pavement on sideroads within seven calendar days after the surface layer of asphalt pavement is placed on STH 27 adjacent to the sideroad.

**4. Traffic.**

*Replace paragraph four with the following:*

Lane closures shall be limited to two miles in length at all times. Separate multiple work operations occurring concurrently by a minimum of one mile.

**16. Material Transfer Vehicle 8150-00-71, Item 460.9000.S.01.**

**A Description**

This special provision describes providing a Material Transfer Vehicle (MTV) and an operator for use during HMA upper layer paving operations of the travel lanes as shown in the plan or as directed by the engineer.

**B Materials**

Furnish a self-propelled MTV with the ability to remix, maintain constant temperature, and continually feed the paver hopper. MTV storage capacity shall be adequate to provide continuous forward movement of the paver. Coordinate paver speed to match the delivery of material and capacity of the MTV to minimize stopping of the paver.

**C Construction**

Ensure that an operator stays with the MTV at all times during moving operations. Keep the paver's hopper full at all times to avoid segregation of coarse aggregates. Placement of HMA upper layer pavement in the travel lanes will not be allowed without the MTV. Tie ins of intersections, shoulders paved separately, and other non-travel lane areas will not require the use of the MTV.

**D Measurement**

The department will measure Material Transfer Vehicle (8150-00-71) as a single unit for each project, acceptably completed.

**E Payment**

The department will pay for measured quantities at the contract unit price under the following bid item:

ITEM NUMBER	DESCRIPTION	UNIT
460.9000.S	Material Transfer Vehicle 8150-00-71	EACH

Payment is full compensation for furnishing and operating the MTV and for the operator.
